Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.
 - AJN continued to review projects and assets located in the Democratic Republic of the Congo (DRC).
 - With the new DRC Government in place, AJN management had several meetings and discussions over the past five months with officials from various levels of government.
 - AJN worked on identifying new projects for potential option and/or acquisition.
 - AJN is waiting on timing of when AJN can do additional work on its Salts Wells lithium project in Nevada. Due to drill rig availability and Covid 19 issues there are certain restrictions in place for doing the additional work. The Company is confident in securing a drill rig in the coming months.
2. Provide a general overview and discussion of the activities of management.
 - The Issuer worked on identifying new projects for potential option and/or acquisition.
 - The Issuer is awaiting DRC government approval for the previously announced memorandum of understanding (MoU) with SOKIMO, which was signed and agreed to in January 2020. Due to significant government changes in the DRC, there have been significant delays, although now with the new Government and Parliament in place the Issuer has had many positive and constructive meetings at various State levels to progress the transaction.
