### **Forward-looking Information**

This news release may contain forward-looking statements and forward-looking information (collectively, “forward-looking statements”) within the meaning of applicable Canadian and U.S. securities legislation. Forward-looking statements can often be identified by words such as “will”, “plans”, “expects”, “may”, “intends”, “anticipates”, “believes”, “proposes” or variations of such words including negative variations thereof and phrases that refer to certain actions, events or results that may, could, would, might or will occur or be taken or achieved. Actual results could differ from those projected in any forward-looking statements due to numerous factors, including risks and uncertainties relating to general economic, market or business conditions or changes in laws, regulations and policies affecting the Company’s operations. Investors are cautioned that forward-looking statements are not guarantees of future performance or events and, accordingly are cautioned not to put undue reliance on forward-looking statements due to the inherent uncertainty of such statements. Any forward-looking statements included in this news release are made as of the date hereof and the Company does not intend to update or revise any forward-looking statements, except as expressly required by law.
