QUANTUM BATTERY METALS ARRANGES NON-BROKERED PRIVATE PLACEMENT

Vancouver, British Columbia – Quantum Battery Metals Corp. (CSE: QBAT; OTC: BRVVF; FRA: 23B0) (“Quantum” or the “Company”) announces that it will be arranging a non-brokered private placement (the “Private Placement”) comprising of up to 2,000,000 Units (“Units”) at a price of \$0.50 Unit for gross proceeds of \$1,000,000.00 with a 50% over allotment option.

Each Unit will be comprised of one common share and one common share purchase warrant of the Company. Each warrant will be exercisable into a common share of the Company for a period of 12 months at an exercise price of \$0.75 for 12 months from issuance. The proceeds of the private placement will be used for the mineral properties of the Company, repayment of loans and general working capital.

Forward-Looking Information This news release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address events or developments that Quantum Battery Metals Corp. (the "Company") expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include market prices, exploitation and exploration successes, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any
