

## FORM 7

### MONTHLY PROGRESS REPORT

Name of Listed Issuer: ORIGEN RESOURCES INC. (the "Issuer").

Trading Symbol: ORGN

Number of Outstanding Listed Securities: 37,763,654

Date: November 7, 2022

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

#### **General Instructions**

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

#### **Report on Business**

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

**On October 18, 2022, the Issuer announced that it had entered into an agreement to sell a 100% interest in its substantial Newfoundland Lithium project portfolio that covers over 33,000 hectares and 20 highly prospective**

targets, to 1345984 B.C. Ltd. (“134”), a private Company that intends to enter into a transformative transaction within the next 90 days with a publicly traded entity. To earn a 100% interest, 134 will make a cash payment of \$100,000 and arrange for the delivery of 7 million shares of a public, or soon to be public company within 90 days of signing the definitive agreement. The issuer must approve of the public company from which it will receive the 7 million shares. A further cash payment of \$150,000 is due within 12 months of signing the definitive agreement and a 1.5% NSR will be granted in favor of the Issuer upon satisfaction of all cash and share payments. Further details can be found in the Issuer’s news release dated October 18, 2022.

2. Provide a general overview and discussion of the activities of management.

**The Issuer’s management team continues to be focused on its exploration objectives and operational goals; assess the production value and viability of its current assets; while it continues its efforts to raise market awareness, enhance shareholder value, execute ongoing research and development, and other shareholder outreach initiatives. The Issuer’s management persists in its efforts to seek new promising opportunities to develop and increase the stakeholder’s value and profitability of the Issuer.**

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

**N/A**

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

**N/A**
