Forward-Looking Statements

This release contains forward-looking statements reflecting management's current views of future events and operations. These statements are based on current expectations and assumptions, subject to risks and uncertainties that could cause results to differ materially. DCS believes that these potential risks and uncertainties include, without limitation: the ongoing COVID-19 pandemic, the Company's dependence on third-party manufacturers, suppliers, technologies, and infrastructure; risks related to intellectual property; industry risks, including competition, online security, government regulation, and global economic conditions; and the Company's financial position and need for additional funding. Statements in this release should be evaluated in light of these factors. These risk factors and other important factors that could affect our business and financial results are discussed in our Management's Discussion and Analysis, periodic reports, and other public filings available on SEDAR+ at www.sedarplus.ca and posted with the OTC Disclosure and News Service. DCS undertakes no duty to update or revise any forward-looking statements.

Neither the Canadian Securities Exchange nor its Regulation Services Provider (as that term is defined in the policies of the Canadian Securities Exchange) accepts responsibility for the adequacy or accuracy of this release
