

FORM 7

MONTHLY PROGRESS REPORT

Name of Listed Issuer: Bayridge Resources Corp. (the "Issuer").

Trading Symbol: BYRG

Number of Outstanding Listed Securities: 15,337,296

Date: May 6, 2026

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The Issuer is a green energy company advancing its portfolio Canadian uranium projects. The 51% owned Baker Lake Uranium Project consists of 83 contiguous claims in the Kivalliq Region of Nunavut, covering 619km². Exploration has defined a 75 km unconformity with multiple uranium targets, supported by modern drilling and airborne geophysical surveys. The issuer has also earned a 40% interest in

the 1,337 ha Waterbury East project, that is located 25 km northeast of the Cigar Lake Mine in the northeastern Athabasca Basin Region. Geophysical surveys have identified a 7 km long conductivity corridor where mid-2000's drilling highlighted faulted and altered basement rock with local uranium enrichment. Large sections of the corridor remain untested.

2. Provide a general overview and discussion of the activities of management.

During the month of April 2026, management activities consisted of:

- the Issuer advanced its Baker Lake Uranium Project with completed data reinterpretation and a planned 2026 exploration program;
- the Issuer filed its annual financial statements and MD&A for the years ended December 31, 2025 and 2024; and
- general and administrative matters.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

On April 8, 2026, the Issuer provided an update on completed data reinterpretation and planned 2026 exploration activities at its 51% owned Baker Lake Uranium Project (the "Project"). The Issuer has completed a reinterpretation of historic airborne geophysical datasets, resulting in improved target definition and understanding of uranium mineralization across the project. Planned 2026 field exploration at Baker Lake will focus on refining drill targets through the integration of geophysical and geochemical datasets. The program is expected to include surface exploration, completion of required environmental and archaeological assessments, and refurbishment of a previously disturbed historic exploration outpost to support operations. The planned 2026 field program will focus on advancing priority targets through the integration of geophysical reinterpretation and field-based validation. Subject to permitting and initial results, the Issuer plans to undertake up to 3,500 metres of helicopter-supported diamond drilling to test priority uranium targets. The Issuer has secured a drilling contractor and is actively advancing planning for the upcoming program.

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

No drilling, exploration or production programs were amended or abandoned during the month of April 2026.

5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.

There were no new business relationships between the Issuer, the Issuer's affiliates or the third parties during the month of April 2026.

6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.

There was no expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing agreements that have been previously announced during the month of April 2026.

7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.

There were no acquisitions or dispositions of the Issuer's assets that occurred during the month of April 2026.

8. Describe the acquisition of new customers or loss of customers.

There were no acquisitions of new customers or loss of customers during the month of April 2026.

9. Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks.

There were no new developments or effects on intangible products during the month of April 2026.

10. Report on any employee hirings, terminations or lay-offs with details of anticipated length of lay-offs.

There were no employee hirings, terminations or lay-offs during the month of April 2026.

11. Report on any labour disputes and resolutions of those disputes if applicable.

There were no labour disputes during the month of April 2026.

12. Describe and provide details of legal proceedings to which the Issuer became a party, including the name of the court or agency, the date instituted, the principal parties to the proceedings, the nature of the claim, the amount claimed, if any, if the proceedings are being contested, and the present status of the proceedings.

There were no legal proceedings to which the Issuer became a party during the month of April 2026.

13. Provide details of any indebtedness incurred or repaid by the Issuer together with the terms of such indebtedness.

There was no indebtedness incurred or repaid by the Issuer during the month of April 2026.

14. Provide details of any securities issued and options or warrants granted.
