## Western Star Resources Announces It Will Be Attending Key Meetings in Washington and Will be Presenting at The Commodities Global Expo in Washington DC

May 14th, 2026 - Western Star Resources Inc. (CSE: WSR) (OTC: WSRIF) (FRA:4K2) (the “Company” or “Western Star”) announces that President & CEO Blake Morgan will attend and present at the Commodities Global Expo Washington 2026, held May 17-19, at the Hyatt Hotel in Washington DC. Mr. Morgan will also be attending key meetings with agencies in Washington DC discussing future development of its critical metal’s assets across North America

Commodities Global Expo, presented by Top Shelf Partners, is an exclusive investment conference focused on the commodities, mining, and energy sectors. The conference brings together accredited investors, fund managers and company executives for one-on-one meetings, CEO presentations, and high-level networking opportunities.

“This is a high-level event that we thrilled to participate in, which lines up perfectly with our formal meetings in Washington DC,” said Mr. Morgan. “With a large cash position and drill programs set for 2026, the team is excited to get out on the road and show people what Western Star is all about.”

### **About Western Star Resources**

Western Star Resources is a mineral exploration and development company. The company’s objective is to increase shareholder value through the development of exploration properties using cost-effective exploration practices, acquiring further exploration properties and seeking partnerships by either joint venture or sale with industry leaders. The Company is currently advancing the Rowland Tungsten Property in Elko County, Nevada, USA. The company also owns nine non-surveyed contiguous mineral claims totaling 4,740 hectares, located within the Revelstoke mining division of British Columbia, approximately 50 kilometers southeast of Revelstoke, B.C., and roughly 10 kilometers north of the abandoned community of Camborne.
