Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

On March 4, 2026 the Company announced the resignation of Daniel Kunz from the board of directors.

On March 9, 2026 the Company announced the closing of the previously announced non-brokered private placement, effective March 6, 2026, whereby the company issued 2.4 million common shares in the capital of the company at a price of 20 cents per common share for aggregate gross proceeds of $480,000. As part of the private placement, the company has fully settled debt owing to certain of its directors and officers who participated in the private placement, through the issuance of 550,000 common shares. The board of directors of the company has determined that it is in the best interests of the company to settle the outstanding debts by the issuance of common shares in order to preserve the company's cash for working capital. It is expected that the net proceeds from the private placement will be primarily used to settle current accounts payable and for general working capital purposes.

The company paid a cash commission of $6,300 to Haywood Securities Inc. in connection with subscriptions received from subscribers they introduced to the private placement. All securities issued pursuant to the private placement are subject to a statutory hold period of four months and one day from the date of issuance.

Richard Cindric, president and chief executive officer and director of the company, Scott Davis, chief financial officer of the company, and Saf Dhillon and Andy Jagpal, directors of the company, are related parties of the company pursuant to Multilateral Instrument 61-101, Take Over Bids and Special Transactions, and participated in the private placement. Accordingly, the private placement constitutes a related party transaction within the meaning of MI 61-101. Pursuant to the private placement, Mr. Cindric received an aggregate of 100,000 common shares, Mr. Davis received an aggregate of 200,000 common shares, Mr. Dhillon received an aggregate of 250,000 common shares and Mr. Jagpal received an aggregate of 100,000 common shares. The company is relying on the exemptions from the formal valuation requirement under Section 5.5(b) of Multilateral Instrument 61-101 and the minority shareholder approval requirement under Section 5.7(a) of MI 61-101, as the fair market value of the common shares to be issued to the related party does not exceed 25 per cent of the company's market capitalization. The company did not file a material change report in respect of the private placement on SEDAR+ less than 21 days prior to closing thereof due to the fact that the company wished to close the private placement as soon as practicable to enable it to continue its business pursuits and reduce its liabilities.

For more information on any of the above please see the corresponding CSE and SEDAR filed news releases for the Company on the dates provided above).
