

Early Warning Report

April 6, 2021 – Vancouver, British Columbia – Major Precious Metals Corp. (“**Major Precious Metals**” or the “**Company**”) (CSE:SIZE | OTC:SIZYF | FRANKFURT:3EZ) has been advised that Platina Resources Ltd., the Vendor of the Skaergaard Project, has sold a total of 6,000,000 common shares through the facilities of the TSX Venture Exchange. This reduces Platina’s holdings of the Company’s shares from 55,000,000 down to 49,000,000 shares being approximately 24.61% of the issued and outstanding common shares of the Company.

Platina acquired the shares in consideration for its interest in the Skaergaard project and for investment purposes. Platina may, from time to time, acquire or dispose of additional securities of the Company in the market, privately or otherwise. A copy of the Notice of Intent to Dispose filed by Platina Resources in connection with the Acquisition is available under the profile for the Company on SEDAR (www.sedar.com).

On behalf of the Board of Directors

About Major Precious Metals Corp.

Major Precious Metals is a Canadian junior mining and exploration company based in Vancouver, BC that owns a diversified portfolio of exploration properties within some of the most promising precious and base metal deposits worldwide. Major Precious Metals is also engaged in the business of acquiring and exploring precious metal projects near or adjacent to existing mining operations controlled by well-established mining companies.

Major Precious Metals is listed on the Canadian Securities Exchange (“CSE”) and its common shares trade under the ticker symbol "SIZE." Additional information relating to Major Precious Metals is available at www.majorprecious.com and SEDAR at www.sedar.com.

The Canadian Securities Exchange has neither approved nor disapproved the contents of this news release.

Forward-looking Information Statement

This news release may contain certain “forward-looking statements” and “forward-looking information” within the meaning of applicable Canadian and United States securities laws. When used in this news

release, the words “anticipate”, “believe”, “estimate”, “expect”, “target”, “plan”, “forecast”, “may”, “schedule” and other similar words or expressions identify forward-looking statements or information. These forward-looking statements or information may relate to the development of a mineral resource estimate for the Skaergaard Project, and other factors or information. Such statements represent the Company’s current views with respect to future events and are necessarily based upon a number of assumptions and estimates that, while considered reasonable by the Company, are inherently subject to significant business, economic, competitive, political and social risks, contingencies and uncertainties. Many factors, both known and unknown, could cause results, performance or achievements to be materially different from the results, performance or achievements that are or may be expressed or implied by such forward-looking statements. The Company does not intend, and does not assume any obligation, to update these forward-looking statements or information to reflect changes in assumptions or changes in circumstances or any other events affecting such statements and information other than as required by applicable laws, rules and regulations.
