2. Provide a general overview and discussion of the activities of management.

   The Company was previously subject to failure-to-file cease trade order (the "FFCTO") issued by the Ontario Securities Commissions (the "OSC") on December 2, 2016. The CTO was issued due to the Company's failure to file its certification of the financial information filings for the period ended September 30, 2016 as required by National Instrument 52-109 – Certification of Disclosure in Issuer's Annual and Interim Filings. As a result of the CTO, while BitRush is listed on the Canadian Securities Exchange (the "CSE"), its common shares were suspended from trading. On May 21, 2021, the OSC has granted the Revocation Order fully revoking the CTO issued on December 2, 2016.

   Notwithstanding the Revocation Order, the Company's common shares remain suspended from trading in accordance with the rules of the CSE which will continue until such time as the Company meets the requirements of the CSE for trading in the common shares to resume.

   The Company is currently evaluating new developments in the ad tech, artificial intelligence and other technology spaces as well as the public markets. Management, working closely with members of the Board, has looked into numerous potential business opportunities and is looking to identify the best possible project for the Company. The other main order of business is to resume the trading of the Company's common shares on the CSE and its operations.

The Company also intends on raising capital in the near future as the CTO has been lifted. BitRush believes that more than one well vetted opportunity will be available for the Company to build on. BitRush also intends on changing its name and ticker symbol, and will hold the AGM in August 2021.
