

BIOHARVEST SCIENCES INC.
SHAREHOLDER UPDATE – LIVE EVENT JULY 8, 2021, AT 2:00 PM E.T.

Vancouver, BC / July 2, 2021 / BioHarvest Sciences Inc. (the “Company”, “BioHarvest”) (CSE: BHSC) invites its shareholders and the general public to join a Live Video Conference (“Webinar”) on Thursday, July 8, 2021, at 2:00 PM Eastern Standard Time (11:00 AM Pacific Standard Time).

BioHarvest Sciences CEO Ilan Sobel will host the event, which will include a report on all major 2021 priorities, including a performance update on Israel VINIA® Q2 results and the e-commerce launch of VINIA® in the United States, a review of recently announced progress on commercializing the Company’s cannabis and hemp products, and key messaging around the Company’s soon-to-be-released Environmental, Sustainability, and Governance (ESG) Strategy.

“In early 2021, we announced an aggressive set of corporate goals for the year, in both our cannabis and Superfruits verticals,” stated CEO Ilan Sobel. *“Executing on these different strategic programs has required intense focus from our growing team, and I look forward to updating our very engaged investor community on our progress against each of our major 2021 milestones on July 8.”*

The presentation will be approximately 35 minutes, followed by a live question and answer session. All shareholders, media, and interested investors are welcome to join. All registrants will be emailed a recording of the session.

About BioHarvest Sciences Inc.

Based in Vancouver, BC, BioHarvest Sciences Inc. is the developer and exclusive owner of the proprietary and patent-protected BioFarming technology. It is the first and only industrial-scale plant cell technology capable of producing the active plant ingredients without the necessity to grow the plant itself. The Company’s technology is non-GMO and has already been validated by VINIA®, the red grapes cells functional food/dietary supplement produced and sold by BioHarvest Sciences Inc. The Company plans to generate significant revenue within the global nutraceutical ingredients and dietary supplements market with VINIA® and other Super Fruit Nutraceutical products. Further, by adapting this technology to the cannabis plant, and building adequate production capacity, BioHarvest Sciences Inc.’s objective is to also become a leading supplier of cannabis for both medicinal and legal recreational purposes.
