**VANCOUVER, BC, September 28, 2021** – CannAmerica Brands Corp. (CSE: CANA) (OTCQB: CNNXF) ("**CannAmerica**" or the "**Company**") announces that the British Columbia Securities Commission (the "**BCSC**") has granted it an extension for its management cease trade order ("**MCTO**"). The MCTO was originally issued by the BCSC, effective as of August 6, 2021 and ending on September 28, 2021, in connection with the delay by the Company in filing its annual financial statements, management's discussion and analysis and related officer certifications for the financial year ended March 31, 2021 (collectively, the "**Annual Filings**").

The Company continues to work closely with its auditor and expects to file the Annual Filings as soon as possible, but the completion of such Annual Filings was delayed as a result of complexities caused by COVID-19 pandemic, which impacted the Company's ability to complete the Annual Filings.

The Company is providing this status update in accordance with National Policy 12-203 – *Management Cease Trade Orders* ("**NP 12-203**"). The Company intends to continue following the provisions of the Alternative Information Guidelines set out in NP 12-203, including the issuance of bi-weekly default status reports in the form of news releases, for as long as the Company remains in default. The Company confirms as of the date of this news release that there has been no material change in the information contained in the default announcement issued August 10, 2021 and there is no other material information concerning the affairs of the Company that has not been generally disclosed. The Company anticipates filing the Annual Filings and remedying its default on or before October 6, 2021.
