MANAGEMENT INFORMATION CIRCULAR

(As at November 25, 2021, except as indicated)

This management information circular (“**Circular**”) is furnished in connection with the solicitation of proxies by the management (“**Management**”) of Carlyle Commodities Corp. (the “**Company**”) for use at the annual general meeting (the “**Meeting**”) of shareholders (“**Shareholders**”) of the Company to be held at 10:00 a.m. (Vancouver time) on Thursday, December 30, 2021, at the place and for the purposes set forth in the notice of the Meeting (the **Notice of Meeting**”).

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by Management will be conducted by mail and may be supplemented by telephone or other personal contact and such solicitation will be made without special compensation granted to the directors, regular officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining, from the principals of such persons, authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this Circular and related proxy materials to their customers. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Circular. This Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Registered Shareholders

If you are a registered Shareholder, you may wish to vote by proxy whether or not you attend the Meeting in person. If you submit a proxy, you must complete, date and sign the proxy, and return it to **Odyssey Trust Company**, United Kingdom Building, #350 – 409 Granville St., Vancouver, BC V6C 1T2 not less than 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment(s) or postponement(s) thereof.

Non-Registered Shareholders

Only directly registered Shareholders or duly appointed proxyholders are entitled to vote at the Meeting. Most Shareholders are non-registered Shareholders (“**Non-Registered Shareholders**”) because the common shares of the Company (“**Common Shares**”) they own are not registered in their names but are registered either: (a) in the name

of an intermediary (an “**Intermediary**”) that the Non-Registered Shareholder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESSPs and similar plans); or (b) in the name of a clearing agency such as The Canadian Depository for Securities Limited in Canada or the Depository Trust Company in the United States, of which the Intermediary is a participant.

Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless the Non-Registered Shareholders have waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- a) Be given a proxy which **has already been signed by an Intermediary** (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. This form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should otherwise properly complete the form of proxy and **return it in accordance with the instructions provided in the proxy; or**
- b) More typically, be given a voting instruction form which **is not signed by the Intermediary** and which, when properly completed and signed by the Non-Registered Shareholder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a “**Voting Instruction Form**” or “**VIF**”), which the Intermediary must follow.

In either case, the purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. However, without specific voting instructions, Intermediaries and their agents and nominees are prohibited from voting shares for their clients. **Accordingly, each Non-Registered Shareholder should ensure that voting instructions are communicated to the appropriate party well in advance of the Meeting.**

Should a Non-Registered Shareholder who receives either a proxy or a VIF wish to attend the Meeting or have someone else attend on his or her behalf, the Non-Registered Shareholder should strike out the names of the persons named in the Proxy and insert the Non-Registered Shareholder’s (or such other person’s) name in the blank space provided or, in the case of a VIF, follow the corresponding instructions on the form.

There are two kinds of beneficial owners – those who object to their name being made known to the issuers of securities which they own (called OBOs for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called NOBOs for Non-Objecting Beneficial Owners). Pursuant to National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs.

These Meeting Materials are being sent to both registered and non-registered owners of the Common Shares. If you are a Non-Registered Shareholder, and the Company or its agent has sent these Meeting Materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. Please return your voting instructions as specified in the request for voting instructions or form of proxy delivered to you.

By choosing to send the Meeting Materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering the Meeting Materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each OBO, unless the OBO has waived the right to receive them. The Company does not intend to pay for Intermediaries to forward the Meeting Materials to OBOs. Accordingly, OBOs will not receive the Meeting Materials unless the Intermediary assumes the cost of delivery.

Appointment and Revocation of Proxies

The persons named in the accompanying form of proxy are directors and/or officers of the Company. A Shareholder has the right to appoint a person or company (who need not be a Shareholder) other than the persons whose names appear in such form of proxy, to attend and act for and on behalf of such Shareholder at the Meeting and any adjournment(s) or postponement(s) thereof. Such right may be exercised either by striking out the names of the persons specified in the form of proxy and inserting the name of the person or company to be appointed in the blank space provided in the form of proxy, or by completing another proper form of proxy and, in either case, delivering the completed and executed proxy to Odyssey Trust Company, United Kingdom Building, #350– 409 Granville St., Vancouver, BC V6C 1T2, not less than forty-eight (48) hours (excluding Saturdays, Sundays and holidays) before the time fixed for the Meeting, or any adjournment(s) or postponement(s) thereof.

A registered Shareholder of the Company who has given a proxy may revoke the proxy by: (a) depositing an instrument in writing, including another completed form of proxy, executed by such registered Shareholder or by his or her attorney authorized in writing or by electronic signature or, if the registered Shareholder is a corporation, by an officer or attorney thereof properly authorized, either: (i) at the principal office of the Company at any time prior to 5:00 p.m. (Vancouver time) on the last business day preceding the day of the Meeting or any adjournment(s) or postponement(s) thereof, (ii) with the said office Odyssey Trust Company Attn: Proxy Department at any time prior to 5:00 p.m. (Vancouver time) on the last business day preceding the day of the Meeting or any adjournment(s) or postponement(s) thereof, or (iii) with the Chairman of the Meeting on the day of the Meeting or any adjournment(s) or postponement(s) thereof; (b) transmitting, by telephone or electronic means, a revocation that complies with paragraphs (i), (ii) or (iii) above and that is signed by electronic signature, provided that the means of electronic signature permits a reliable determination that the document was created or communicated by or on behalf of such Shareholder or by or on behalf of his or her attorney, as the case may be; or (c) in any other manner permitted by law including attending the Meeting in person.

A Non-Registered Shareholder who has submitted a proxy or VIF may revoke a VIF or proxy that has been given to an Intermediary or to the service company that the Intermediary uses by following the instructions of the Intermediary respecting the revocation of proxies, provided that an Intermediary is not required to act on a revocation of a proxy or VIF which is not received by the Intermediary at least seven days prior to the Meeting.

Voting and Discretion of Proxies

The Common Shares represented by an appropriate form of proxy will be voted or withheld from voting on any ballot that may be conducted at the Meeting, or at any adjournment or postponement thereof, in accordance with the instructions of the Shareholder thereon. **In the absence of instructions, such Common Shares will be voted in favour of each of the matters referred to in the Notice of Meeting as specified thereon.**

The enclosed form of proxy, when properly completed and signed, confers discretionary authority upon the persons named therein to vote on any amendments to or variations of the matters identified in the accompanying Notice of Meeting and on other matters, if any, which may properly come before the Meeting or any adjournment or postponement thereof.

NOTICE AND ACCESS

The Company is not sending the Meeting Materials to registered Shareholders or Non-Registered Shareholders using notice-and-access delivery procedures defined under NI 54-101 and National Instrument 51-102 *Continuous Disclosure Obligations* (“NI 51-102”).

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company who was a director or executive officer since the beginning of the Company’s last financial year, no proposed nominee of Management for election as a director of the Company and no associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of Common Shares without par value. As of the record date, determined by the Board of Directors of the Company (the “**Board**”) to be the close of business on November 25, 2021 (the “**Record Date**”), a total of 66,946,936 Common Shares were issued and outstanding. Each Common Share entitles the Shareholder of record to one vote at the Meeting. The Company has no other classes of voting securities. Only registered Shareholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment(s) or postponement(s) of the Meeting.

To the knowledge of the Company’s directors and executive officers, as at the Record Date, no person beneficially owns, directly or indirectly, or controls or directs Common Shares carrying 10% or more of the voting rights attached to all of the Company’s Common Shares.

2. Set Numbers of Directors

The number of directors will be approved if the affirmative vote of at least a majority of Common Shares present or represented by proxy at the Meeting and entitled to vote thereat are voted in favour of setting the number of directors at three.

The shares represented by proxy will be voted FOR the resolution to set the number of directors for the ensuing year at three, unless the Shareholder has specified in the form of proxy that the Shareholder’s Common Shares are to be voted against the resolution.

3. Election of Directors

Management of the Company does not contemplate that any of the nominees will be unable to serve as a director but, if that should occur for any reason prior to the Meeting, the persons designated in the enclosed form of Proxy reserve the right to vote for other nominees in their discretion.

Management of the Company proposes to nominate the following three persons as further described in the table below, for election by the Shareholders as directors of the Company to hold office until the next annual meeting. STATEMENT OF CORPORATE GOVERNANCE PRACTICES

General

The Company's board of directors believes that good corporate governance improves corporate performance and benefits all shareholders. National Policy 58-201 - Corporate Governance Guidelines provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, National Instrument 58-101 - Disclosure of Corporate Governance Practices ("NI 58-101") prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

The Company's board of directors facilitates its exercise of independent supervision over the Company's management through meetings of the board of directors.

The Company's board of directors is comprised of three directors, of whom Michael Blady and Leighton Bocking are independent for the purposes of NI 58-101. Morgan Good is a member of the Company's management and is not independent as he serves as President and CEO of the Company.

Certain of the Company's directors are also currently directors of other reporting issuers as follows:

Orientation and Continuing Education

New members of the board of directors receive an orientation package which includes reports on operations and results, and public disclosure filings by the Company. Meetings of the board of directors are sometimes held at the Company's offices and, from time to time, are combined with presentations by the Company's management to give the directors additional insight into the Company's business. In addition, management of the Company makes itself available for discussion with all members of the board of directors.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of view and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation

The Board is responsible for determining compensation for the directors of the Company to ensure it reflects the responsibilities and risks of being a director of a public company.

Other Board Committees

The Board has no committee other than the Audit Committee.

Assessments

Due to the minimal size of the Corporation's board of directors, no formal policy has been established to monitor the

effectiveness of the directors, the Board and its committees.

AUDIT COMMITTEE

Audit Committee

Pre-Approval Policies and Procedures

The Audit Committee is authorized to approve in writing any non-audit services or additional work which the Chairman of the Audit Committee deems is necessary, and the Chairman will notify the other members of the Audit Committee of such non-audit or additional work and the reasons for such non-audit work for the Committee’s consideration, and if thought fit, approval in writing.

Exemption for Venture Issuers

The Company has relied upon the exemption provided by section 6.1 of NI 52-110, which exempts a venture issuer from the requirement to comply with the restrictions on the composition of its Audit Committee and the disclosure requirements of its Audit Committee in an annual information form as prescribed by NI 52-110.

Share-Based and Option-Based Awards

The Company does not grant share-based awards. The Company adopted a “rolling” stock option plan (the “Stock Option Plan”) on April 6, 2018, which was approved by the shareholders of the Company at the Company’s annual general and special meeting held on April 12, 2019. The purpose of the Stock Option Plan is to advance the interests of the Company by encouraging the directors, officers, employees, management company employees and consultants of the Company, and of its subsidiaries and affiliates, if any, to acquire common shares in the share capital of the Company, thereby increasing their proprietary interest in the Company, encouraging them to remain associated with the Company and furnishing them with additional incentive in their efforts on behalf of the Company in the conduct of its affairs. The Stock Option Plan provides that, subject to the requirements of the Exchange, the aggregate number of securities reserved for issuance will be 10% of the number of the Company’s common shares issued and outstanding from time to time. The Stock Option Plan is administered by the Board, which has full and final authority with respect to the granting of all options thereunder.

Options may be granted under the Stock Option Plan to such service providers of the Company and their affiliates, if any, as the Board may from time to time designate. The exercise price of option grants will be determined by the Board, will not be less than the closing market price of the Shares on the Exchange less allowable discounts at the time of grant. The Stock Option Plan provides that the number of Shares that may be reserved for issuance to any one individual upon exercise of all stock options held by such individual may not exceed 5% of the issued Shares. All options granted under the Stock Option Plan will expire not later than the date that is five years from the date that such options are granted. Options terminate earlier as follows: (i) 90 days from date of termination other than for cause; or (ii) one year from the date of death. Options granted under the Stock Option Plan are not transferable or assignable other than by will or other testamentary instrument or pursuant to the laws of succession.

Employment, Consulting and Management Agreements

Other than as set out herein, the Company has no agreements or arrangements under which compensation was provided during the most recently completed financial year or is payable in respect of services provided to the Company or any of its subsidiaries that were performed by a director or NEO, or performed by any other party but are services typically provided by a director or NEO.

On November 22, 2018, the Company entered into a consulting services agreement with Red Fern Consulting Ltd., a management company, of which Mr. Brownlow and Mr. Liu are employees, (the “Consulting Agreement”) providing for annual compensation of \$36,000. Under the terms of the Consulting Agreement, if the Company terminated the consultant’s engagement without cause, the consultant is entitled at least 30 days prior written notice of the effective date of such termination, or pay in lieu of a sum equivalent to three months of services based on the average of the preceding three months. If a change of control occurs and the Consulting Agreement is terminated by the Company or its successor prior to the end of the term, the Company or its successor will pay to the consultant a sum equivalent to twelve months of services based on the average of the preceding three months, not to be less than \$3,000.00 CDN per month. Any options granted to the consultant prior to such termination will be exercisable for such number of months after such termination as is equal to the number of months the consultant has provided the consulting services under the Consulting Agreement and any predecessor agreement, to a maximum of twelve months.

Oversight and Description of Director and NEO Compensation

In assessing the compensation of its executive officers, the Company does not have in place any formal objectives, criteria or analysis; compensation payable is currently determined by the Board.

The Company’s executive compensation program is based on comparisons of similar type and size companies. Both individual and corporate performances are also taken into account. The Company’s directors have not established any benchmark or performance goals to be achieved or met by the Named Executive Officers, however, such Named

Executive Officers are expected to carry out their duties in an effective and efficient manner so as to advance the business objectives of the Company. The satisfactory discharge of such duties is subject to ongoing monitoring by the Company's directors.

Payments may be made from time to time to individuals or companies they control for the provision of consulting services. Such consulting services are paid for by the Company at competitive industry rates for work of a similar nature by reputable arm's length services providers.

The goal of the Company's executive compensation philosophy is to attract, motivate, retain and reward an energetic, goal driven, highly qualified and experienced management team and to encourage them to meet and exceed performance expectations within a calculated risk framework. The Board has not considered the implications of the risk associated with the Company's compensation policies and practices. The compensation program is designed to reward each executive based on individual, business and corporate performance and is also designed to incent such executives to drive the annual and long-term business goals of the organization.

Under the Company's compensation policies and practices, Named Executive Officers and directors are not prevented from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director.

However, the Board does not believe that the Company's compensation policies and practices encourage executive officers to take unnecessary or excessive risk.

For executive officers who are offered compensation, such compensation will primarily and initially be comprised of a base salary or consulting fees, as applicable, and later stock options to purchase Shares. Manner and amount of compensation of the Named Executive Officers is reviewed, recommended and approved by the Board from time to time.

Pension

The Company does not provide any pension benefits for directors or executive officers.
