

## **Green Growth Brands Opens CBD Shops in Indiana and Tennessee Malls**

*New shops represent the next step in the plan to dominate CBD retailing*

**COLUMBUS, OH** February 21, 2019 – Green Growth Brands, Inc. (CSE: GGB) (OTCQB: GGBXF) (GGB or the Company) is pleased to announce the opening of two new Seventh Sense CBD shops, located in Glenbrook Square, Fort Wayne, Indiana and in Hamilton Place, Chattanooga, Tennessee. These new shops represent the next step in Green Growth Brands' plan to dominate CBD retailing and planned network of hundreds of shops designed to serve customers across the United States.

Earlier this month, Green Growth Brands announced the opening of its first Seventh Sense CBD Shop at the Fayette Mall in Lexington, Kentucky and the launch of its eCommerce website [ShopSeventhSense.com](http://ShopSeventhSense.com).

"We know that the stickiest customers come from in-store experiences," said Peter Horvath, CEO of Green Growth Brands. "In our growing network of shops, we are committed to providing compelling assortments of products that encourage our customers to explore. Early results have seen Seventh Sense products selling though at three-times the typical performance of personal care products, accomplished with never-seen-before brands and zero marketing beyond point of sale. We could not be happier with the way the brand and the network are growing."

As previously announced, GGB intends on partnering with a variety of developers to sign lease agreements for prime real estate throughout America and is having very encouraging discussions with a number of well-known property groups. The shop in Glenbrook Square, Fort Wayne, Indiana will be approximately 200 square feet in size, and is the first space leased by GGB from Brookfield Properties. The shop in Hamilton Place, Chattanooga, Tennessee will be approximately 180 square feet in size, and is the second space leased by GGB from CBL Properties.

The Seventh Sense CBD shop retails high-quality botanical therapy CBD-infused personal care and beauty products at affordable prices. The ever-expanding product offering includes CBD-infused body lotion, muscle balm, body wash, bath salts, sugar scrub, bath bomb, lip balm, and face oil.
