EARTHWISE MINERALS CLOSSES PRIVATE PLACEMENT

March 31, 2026 – VANCOUVER, BRITISH COLUMBIA – Earthwise Minerals Corp. (CSE: WISE | FSE: 966 | OTCQB: EWISF) (“**Earthwise**” or the “**Company**”) is pleased to announce that it has completed its non-brokered private placement financing (the “Offering”) announced March 20, 2026. The Company has raised gross proceeds of \$703,500 by issuing a total of 2,400,000 non-flow through units (“NFT Units”) and a total of 11,670,000 flow through units (“FT Units”) both at a price of \$0.05.

Each NFT Unit shall consist of one common share in the authorized share structure of the Company (“NFT Share”) and one common share purchase warrant (“NFT Warrant”). Each NFT Warrant will entitle the holder thereof to purchase one common share at an exercise price of \$0.08 for a period of 24 months from the date of issuance. A total of 2,400,000 NFT Warrants were issued.

Each FT Unit shall consist of one common share in the authorized share structure of the Company (“FT Share”) and one-half of one common share purchase warrant (“FT Warrant”). The FT Shares are intended to qualify as “flow-through shares” within the meaning of the Income Tax Act (Canada) (the “Tax Act”). The gross proceeds from the sale of the FT Shares will be used to incur “Canadian exploration expenses” that are intended to qualify as “flow-through mining expenditures” as those terms are defined in the Tax Act, which the Company intends to renounce to the purchasers of the FT Shares. A total of 5,835,000 FT Warrants were issued.

Completion of the Offering is subject to customary conditions, including regulatory approvals. All securities issued in connection with the Offering will be subject to a statutory hold period of four months and one day from the Closing Date. Finders’ fees of \$15,550 cash and 311,000 broker warrants were issued. The broker warrants will entitle the holder thereof to purchase one common share at an exercise price of \$0.08 for a period of 24 months from the date of issuance.

The proceeds from the FT Offering will be used to advance the Company's exploration activities and continue unlocking value at the Iron Range Gold Property in British Columbia. The Company intends to use the proceeds from the NFT Offering for general working capital.

None of the securities issued in connection with the Offering will be registered under the United States Securities Act of 1933, as amended (the “1933 Act”), and none of them may be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the 1933 Act. This press release shall not constitute an offer to sell or a solicitation of an offer to buy nor shall there be any sale of the securities in any state where such offer, solicitation, or sale would be unlawful.
