

Digital Commodities Acquires Additional Bitcoin and Announces Social Media and BTC Strategist

Vancouver, British Columbia--(Newsfile Corp. - July 29, 2025) - Digital Commodities Capital Corp. (CSE: DIGI) (OTCQB: DGCMF) (FSE: W040) ("**Digital Commodities**" or the "**Company**") is pleased to announce that it has acquired an additional 1.86 Bitcoin (BTC) using cash on hand, for a total purchase price of C\$300,000, representing an average purchase price of C\$160,544 per BTC, inclusive of all costs and fees.

The transaction was executed through Coinsquare's regulated OTC trading desk and aligns with Digital Commodities' strategic initiative to acquire non-fiat, hard and digital assets as a functional alternative to traditional currency for future capital deployment opportunities.

Following this acquisition, Digital Commodities' total Bitcoin holdings now stand at **10.56** BTC, at an average cost basis of C\$159,803 per BTC.

Appointment of BTC Strategist

The company is also pleased to announce the engagement of Nick St Louis as its dedicated Bitcoin Strategist. Nick will assist the company in the development and execution of its corporate Bitcoin strategy. This includes evaluating and deploying all available tools to leverage capital markets, with the ultimate goal of increasing sats per share at a competitive rate while advancing Bitcoin as a solution to fiat currency depreciation.

Nick will lead shareholder education, which includes curating a library of resources, posting weekly progress updates, and recording a monthly podcast with the CEO.

Nick brings a decade of Bitcoin knowledge and experience as a Bitcoin advisor for businesses, where he works to educate executive decision-makers about money and the value of adding Bitcoin to the balance sheet.

Appointment of Social Media Strategist

The company is also pleased to announce the appointment of ZH Consulting for Social Media Management. This appointment marks the beginning of a comprehensive strategy to manage and elevate Digital Commodities' presence across X, LinkedIn, and Instagram. The goal is to increase visibility, drive investor engagement, and ensure timely, professional communication around news and developments.

In consideration of the services to be provided, the Company will pay ZH Consulting a cash fee of C\$2,500 per month. The engagement can be terminated by either party at any time. ZH Consulting is arm's length to the Company. The contact information for ZH Consulting is: 282 Balboa Court, Coquitlam, BC V3K 6R3, Canada; Email: Zia@ZHconsulting.ca; Phone: (604) 649-9674.

About Digital Commodities Capital Corp.

Digital Commodities is a public investment issuer building a differentiated capital platform, focused on acquiring and utilizing Bitcoin and gold as functional stores of value. The Company's mission is to establish and actively manage a hard, non-fiat asset base with transparency and discipline. All capital allocation decisions are guided by a sound money philosophy and long-term value creation.

Forward-Looking Statements

This release includes certain statements and information that may constitute forward-looking information within the meaning of applicable Canadian securities laws. Forward-looking statements relate to future events or future performance and reflect the expectations or beliefs of management of the Company regarding future events. Generally, forward-looking statements and information can be identified by the use of forward-looking terminology such as "intends" or "anticipates", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would" or "occur". This information and these statements, referred to herein as "forward-looking statements", are not historical facts, are made as of the date of this news release and include without limitation, statements regarding Digital's strategic initiative to acquire non-fiat, hard and digital assets as a functional alternative to traditional currency for future capital deployment opportunities; the engagement of Mr. St Louis and the services that he is expected to provide; the engagement of ZH Consulting and the services that it is expected to provide; and the goal of the services that will be provided.

In making the forward-looking statements in this news release, the Company has applied certain material assumptions, including without limitation, that the price of Bitcoin will continue to increase or be maintained, that there will not be adverse regulatory or other changes impacting the utility of Bitcoin, that Bitcoin will be dependable and resilient form of value transfer and that it will successfully be a functional alternative to traditional currency that the Company can use for future capital deployment opportunities; that the engagement of Mr. St Louis will proceed as anticipated and result in the benefits expected; and that the engagement of ZH Consulting will proceed as anticipated and will result in the benefits expected.

These forward-looking statements involve numerous risks and uncertainties, and actual results might differ materially from results suggested in any forward-looking statements. These risks and uncertainties include, among other things that Bitcoin will fail to be dependable and resilient form of value transfer and that it will fail to act as a functional alternative to traditional currency that the Company can use for future capital deployment opportunities; adverse changes to the cryptocurrency industry; adverse changes to cryptocurrency regulations; the engagement of Mr. St Louis may be terminated early or may not result in the benefits expected; the engagement of ZH Consulting may be terminated early or may not result in the benefits expected; general economic, market or business conditions; uninsured risks; other regulatory changes; and other risks detailed herein and from time to time in the filings made by the Company with securities regulators. Accordingly, readers should not place undue reliance on the forward-looking statements and information contained in this news release. Readers are cautioned that the foregoing list of factors is not exhaustive. Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking

information. Readers are cautioned that reliance on such information may not be appropriate for other purposes. The Company does not undertake to update any forward-looking statement, forward-looking information or financial out-look that are incorporated by reference herein, except in accordance with applicable securities laws.

Neither the CSE nor its Regulation Services Provider (as that term is defined in the policies of the CSE) accepts responsibility for the adequacy or accuracy of this release.
