Forward Looking Information

This press release contains "forward-looking information" and "forward-looking statements" (collectively, "forward-looking statements") within the meaning of applicable Canadian securities legislation. All statements in this release, other than statements of historical fact, are forward-looking statements and are based on expectations, estimates, and projections as of the date of this release. Forward-looking statements are often, but not always, identified by words such as "expects," "plans," "anticipates," "intends," "believes," "estimates," "projects," "may," "could," "should," "will," "potential," "proposed,"

"scheduled," or similar expressions.

Such statements reflect the current views of management with respect to future events and are subject to a number of known and unknown risks, uncertainties, assumptions, and other factors that may cause actual results, performance, or achievements to differ materially from those expressed or implied by such forward-looking statements.

Forward-looking statements are based on a number of assumptions believed by the Company to be reasonable at the time such statements are made, including assumptions related to the availability and stability of digital asset markets, regulatory conditions, cybersecurity infrastructure, internal governance, and general economic trends.

However, such assumptions involve significant known and unknown risks and uncertainties, including but not limited to: regulatory changes affecting blockchain or digital asset markets; adverse interpretations of applicable laws; the potential loss or theft of digital assets; technical or security failures; counterparty and custodial risks; limited liquidity or volatility of digital assets such as ETH; and broader market, operational, or political events beyond the Company's control.

Although the Company has attempted to identify important factors that could cause actual results to differ materially, there may be other factors that cause results not to be as anticipated, estimated, or intended. All forward-looking statements are qualified in their entirety by this cautionary statement.

Readers should not place undue reliance on any forward-looking statements. The Company undertakes no obligation to revise or update forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by law. Investors are advised to consult with qualified professionals and consider their own risk tolerance and investment objectives before making any investment decisions.
