Two Hands Appoints Ujjwal Roy as Head of Strategy

Locust Valley, New York--(Newsfile Corp. - February 24, 2026) - Two Hands Corporation (CSE: TWOH) (OTCID: TWOH) ("**Two Hands**" or the "**Company**") is pleased to announce that it has appointed Ujjwal Roy as Head of Strategy, effective February 23, 2026.

Mr. Roy, who on February 20, 2026 was appointed the Founding President of the *World AI Alliance (WAA)* in New York City[1], will be responsible for supporting corporate strategy development, long-term planning initiatives, and evaluating potential growth opportunities. He will work with executive leadership to assist in strategic planning and market assessment initiatives.

Emil Assentato, Chief Executive Officer of Two Hands, stated: "Mr. Roy is an accomplished technology executive, entrepreneur, and AI innovator with deep expertise in artificial intelligence, enterprise software, semiconductor technologies, and digital infrastructure. He currently serves as Chief Executive Officer of ScaleBuild AI, where he leads the development and deployment of advanced AI-driven solutions across multiple industry verticals. He will continue in his leadership role at ScaleBuild AI while also serving as Head of Strategy at Two Hands."

Mr. Assentato continued: "Throughout his career, Mr. Roy has held engineering and leadership roles at global technology leaders including Intel Corporation and Micron Technology, where he contributed to high-performance computing, semiconductor innovation, and large-scale enterprise technology initiatives. His background uniquely positions him to translate complex technological capabilities into disciplined, forward-looking business strategy."

"Ujjwal brings exceptional strategic insight combined with deep technical expertise. His leadership will help guide our long-term growth initiatives, strengthen our competitive positioning, and align emerging technologies with meaningful commercial opportunity."

Mr. Roy will oversee corporate strategy development, strategic partnerships, market expansion initiatives, competitive analysis, and cross-functional alignment to support sustainable value creation. He will work closely with executive leadership to refine the Company's strategic roadmap and identify high-impact growth opportunities.

"I am excited to contribute to Two Hands' next phase of growth," said Mr. Roy. "The Company has a strong foundation and significant opportunity ahead. I look forward to helping shape a strategy that drives innovation, operational excellence, and long-term impact."

Mr. Roy's appointment reflects Two Hands' commitment to strategic discipline, innovation, and technology-driven expansion.

The appointment was approved by the Company's board of directors.

About Two Hands Corporation

Forward-Looking Information Safe Harbor

This news release contains "forward-looking statements" within the meaning of Section 27A of the United States Securities Act of 1933, as amended, and Section 21E of the United States Securities Exchange Act of 1934, as amended. Forward-looking statements are generally identified by words such as "anticipate," "believe," "expect," "intend," "may," "plan," "will," "should," "estimate," "potential," "continue," and similar expressions. These statements are subject to known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements to differ materially from those expressed or implied by such forward-looking statements. Such factors include, among others, risks relating to the Company's ability to execute its business strategy, secure commercial adoption of the VectorMax platform, obtain financing if required, maintain relationships with strategic partners, and general economic and market conditions. Forward-looking statements are made as of the date of this news release, and the Company undertakes no obligation to update such statements except as required by applicable law

This news release also contains "forward-looking information" within the meaning of applicable Canadian securities laws, including National Instrument 51-102 - Continuous Disclosure Obligations. Forward-looking information includes, but is not limited to, statements regarding: the anticipated commercialization of the VectorMax platform in Asia; the scope and potential exclusivity of the Company's channel partner relationship; the size of the addressable market; expected benefits to telecom operators, including bandwidth efficiencies, cost savings and scalability; potential revenue opportunities; and the Company's ability to execute its strategic expansion initiatives.

Forward-looking information is based on management's current expectations, estimates, projections and assumptions as of the date of this news release. Material assumptions underlying such forward-looking information include, but are not limited to: the validity of market data and industry estimates; the technical performance of the VectorMax platform as represented by VectorMax; the ability of the Company to successfully market and commercialize the platform in Asia; the willingness of telecom carriers to adopt the technology; the availability of adequate working capital and financing; and the continued cooperation and performance of VectorMax under the channel partner agreement.

Forward-looking information is subject to a number of known and unknown risks and uncertainties that could cause actual results to differ materially from those expressed or implied in such statements. These risks include, but are not limited to: the risk that the agreement with VectorMax does not result in commercial deployments or revenue; technology performance risks; delays in implementation; competitive market conditions; regulatory developments in applicable jurisdictions; reliance on third-party partners; changes in market demand; the Company's ability to obtain additional financing if required; and general economic, market and industry conditions.

Although the Company believes that the expectations and assumptions underlying the forward-looking information are reasonable, there can be no assurance that such information will prove to be accurate. Readers are cautioned not to place undue reliance on forward-looking information.

The Company undertakes no obligation to update or revise any forward-looking information contained herein, except as required by applicable securities laws.
