### **Forward-looking information**

Certain statements in this press release constitute forward-looking statements within the meaning of applicable securities laws. Forward-looking statements are frequently characterized by words such as "plan", "continue", "expect", "project", "intend", "believe", "anticipate", "estimate", "may", "will", "potential", "proposed" and other similar words, or statements that certain events or conditions "may" or "will" occur. Forward-looking statements are not guarantees of future performance and involve risks,

uncertainties and other factors which may cause actual results, performance or achievements of Tenet to be materially different from the outlook or any future results, performance or achievements implied by such statements. Accordingly, readers are advised not to place undue reliance on forward-looking statements. Important risk factors that could affect the forward-looking statements in this news release include, but are not limited to, statements relating to: (i) the potential refiling and/or restatement of certain financial statements and related management's discussion and analysis (MD&A) as a result of potential material misstatements; (ii) the granting of a partial revocation order by the OSC; (iii) the granting of a full revocation order by the OSC; (iv) the completion of the previously announced private placement; and (v) the timing and outcome of the OSC's review of the Company's disclosure record, and general economic and business conditions. Reference should also be made to Management's Discussion and Analysis (MD&A) in Tenet's annual and interim reports, filed with Canadian securities regulators and available via the System for Electronic Document Analysis and Retrieval (SEDAR+) under Tenet's profile at [www.sedarplus.ca](http://www.sedarplus.ca), for a description of major risk factors relating to Tenet. Although Tenet has attempted to identify certain factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results to differ from those anticipated, estimated or intended.

Forward-looking statements reflect information as of the date on which they are made. The Company assumes no obligation to update or revise forward-looking statements to reflect future events, changes in circumstances, or changes in beliefs, unless required by applicable securities laws. In the event the Company does update any forward-looking statement, no inference should be made that the Company will make additional updates with respect to that statement, related matters, or any other forward-looking statement.
