

FORM 7

MONTHLY PROGRESS REPORT

Name of Listed Issuer: Deveron UAS Corp (the "Issuer" or "Company").

Trading Symbol: DVR

Number of Outstanding Listed Securities: 34,131,086

Date: March 2018

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

During the month of March 2018, the Company continued to develop the drone service business and its benefits for growers as it applies to agriculture in Ontario, areas of western Canada and select opportunities in the United States.

The Company continues to expand its on-demand data solutions to support the decision-making of companies that are integrating drone technology in precision agriculture.

2. Provide a general overview and discussion of the activities of management.

During the month of March 2018, management focused on developing the drone service business through reaching out to current and future channel partners for future drone data sales. These include leading agri-retailers, crop protection, seed and equipment companies.

On March 22, the Issuer announced that, due to interest in participating in its previously announced non-brokered private placement post-closing, the Company has completed a subsequent non-brokered private placement (the "Offering") through the issuance of 1,161,714 Units (as defined below) of the Company for gross proceeds of \$406,599.

Each Unit consists of one common share in the capital of the Company (a "Common Share") and one common share purchase warrant (a "Warrant"). Each Warrant will entitle the holder to purchase one Common Share of the Company at a price of \$0.50 per Common Share for a period of 24 months from the date of closing.

All securities issued in connection with the Offering are subject to a hold period until four months and a day from the date of closing. Net proceeds will be used by the Company to further the business of the Company and for general working capital purposes.

In March, the Issuer filed its Audited Annual Financial Statements and Management Discussion and Analysis for the year ended December 31, 2017.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.
