With offices in the United States and the UK, The Silicon Review is a trusted online and print community for business and technology professionals, publishing editions in the US, Europe, India, Asia Pacific, and the Middle East. The platform encompasses nine technology and vertical communities including mobile, hot start-ups, software, best companies to work for, big data, cloud, IT, security and telecommunications.

“Despite these very challenging economic times, our entire team is thrilled to be recognized as one of The Silicon Review’s 30 Fastest Growing Tech Companies in 2020,” said Lance Montgomery, CEO of HeyBryan. “It proves that people’s commitment to maintaining and enhancing their homes, even during a global pandemic, is a force to be reckoned with.”

**About the Company**

The HeyBryan app is named after the Canadian HGTV personality and one of the country’s most trusted contractors, Bryan Baeumler. Bryan is widely recognized as a home maintenance expert and has been featured in multiple hit shows for over seven years, such as House of Bryan, Disaster DIY, Leave it to Bryan, and most recently, the award winning Island of Bryan.

HeyBryan is free to download and is available on both [Apple](#) and [Android](#) devices.
