

Upco International Inc. Announces Third Quarter Results ended September 30 2018

Vancouver, BC, November 12, 2018, Upco International Inc. (CSE: UPCO) (OTC: UCCPF) (Frankfurt: U06) (“Upco”) is pleased to announce it has filed its consolidated financial statements and Management’s Discussion and Analysis for the third quarter ended September 30, 2018. These documents can be accessed from the SEDAR web site at www.sedar.com.

Upco is a cloud-based mobile service company which provides high-quality voice termination to a market driven by the growing activity in online communications and commerce. Upco is a licensed Global Telecom Carrier within the international VoIP (voice over IP) wholesale business. Upco has designed a software application for Apple iOS and Android, similar to SKYPE and WhatsApp. With the forthcoming addition of the Upco E-Wallet using Blockchain Payment Services, users will be able to: send invoices, approve payments, transfer international funds, convert international currencies, and track transfers and payments.

Upco reported revenues US\$756,936 (2017 - US\$1,969,413) and a net loss of US\$868,127 (2017 – US\$368,406) for its third quarter ended September 30, 2018.

Highlights for the quarter:

- Raised \$2,500,000. The Proceeds will be used for general working capital. All the shares issued will have a 4-month hold.
- Announced it has launched its highly anticipated Upco mobile messenger communication app (“Upco App”). The Upco App is available for download on Apple App Store for iOS and Google play store for Android
- Announced that it has signed an agreement with Emoney plc www.emoney.com.mt to support Upco’s monetary payment and transfer services within Europe. Emoney is a Financial Institution, licensed in Malta with a European Passport, and has a decade of proven management experience in the world of electronic money, issuance of online current accounts and issuance of rechargeable credit cards.

About Upco International Inc.
