Puerto Rico based Natural Ventures signs Definitive Purchase Order for USD \$4 million annually

February 28, 2019

Vancouver, BC – Chemesis International Inc. (CSE: [CSI](#)) (OTC: [CADMF](#)) (FRA: [CWAA](#)) (the “Company” or “Chemesis”), announces its subsidiary Natural Ventures has signed a definitive agreement for an annual purchase order of a minimum total of USD \$4,000,000.

The Company will cultivate, manufacture, package and distribute for the Puerto Rico based dispensary network from its fully licensed, state compliant facility. The products are white labelled under the dispensaries brand and delivered on a weekly basis. Initial purchase orders over \$400,000 USD have been fulfilled in February and with weekly increases in the Puerto Rican medical patient base, both companies anticipate demand to increase heading into the Q2 2019.

“Chemesis has built a strong relationship with this retail focused team, and we will ensure we supply their dispensaries with high-quality cannabis products,” said CEO of Chemesis, Edgar Montero. “Natural Ventures has continued to solidify its reputation as a high-quality cultivator, and manufacturer of cannabis products and we see this purchase order as validation. Furthermore, the Company expects to see an increase in monthly purchase orders, as more dispensaries are opened around the island.”

Natural Ventures began fulfilling purchase orders in February 2019 and is providing the vendor with edibles, vaporizers, lotions, beverages, and flower.

Due to the competitive nature of the cannabis market in Puerto Rico, the Company will not disclose who the vendors are at this time.
