

## FORM 7

### **MONTHLY PROGRESS REPORT**

Name of Listed Issuer: Getchell Gold Corp. (the "Issuer").

Trading Symbol: GTCH

Number of Outstanding Listed Securities: 70,096,250

Date: December 2, 2020

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

#### **General Instructions**

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

The Issuer holds four mineral exploration properties located in northern Nevada. The Issuer was active on both the Fondaway Canyon and Star properties during the month. The Issuer has an option agreement with Canarc Resource Corp., pursuant to which the Issuer holds an option to acquire 100% of the Fondaway

Canyon and Dixie Comstock properties. These are advanced stage projects located in Churchill County, Nevada.

2. Provide a general overview and discussion of the activities of management.  
Management focused on directing the drilling activities at Fondaway Canyon, interpreting and reporting the results of the Star Point geophysical survey and managing the general corporate activities.
  
3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.  
The Company completed its Fondaway Canyon exploration program which totalled 6 core holes and a total length of 1,996 metres (6,550 feet) – a news release was issued on November 13, 2020. All samples have been sent to the laboratory for analysis. No results have been received as of the date of this report. The analysis and interpretation of the Star Point geophysical survey was also completed and a news release issued on November 24, 2020.

<b>Security</b>	<b>Number Issued</b>	<b>Details of Issuance</b>	<b>Use of Proceeds<sup>(1)</sup></b>
Common shares	177,000	Exercise of warrants	The aggregate proceeds of \$24,780 will be used for exploration

			of the Issuer's properties and for general working capital.

(1) State aggregate proceeds and intended allocation of proceeds.

15. Provide details of any loans to or by Related Persons.

None.

16. Provide details of any changes in directors, officers or committee members.

None.

17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

The price of gold has steadily improved over the last twelve months from a low of approximately US \$1,400 per troy ounce to a high of over US \$2,000 per troy ounce. While there has been a pull back to approximately US \$1,750 recently, the outlook for a continuing strong gold price is positive and is attracting interest in the sector which has stimulated gold sector share pricing and improved access to capital.

The market for exploration companies can prove challenging in terms of raising sufficient capital to fund exploration activities. There is no guarantee that fundraising efforts will be successful on a continuing basis.

The Issuer's near-term strategy to advance its assets is not currently being impacted by the COVID-19 outbreak. The Issuer continues to monitor the situation and is in compliance with all government guidelines.
