

CSE FORM 7

MONTHLY PROGRESS REPORT

Name of Listed Issuer: Getchell Gold Corp. (the "Issuer").

Trading Symbol: GTCH

Number of Outstanding Listed Securities: 73,512,911

Date: March 4, 2021

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The Issuer holds four mineral exploration properties located in northern Nevada. The Issuer was not active on any of the properties during the month. The Issuer received assay results from the first 3 drill holes in January and the remaining 3 holes in February from a six-hole drill program completed in November at the Fondaway Canyon Gold Project. The Issuer has an option agreement with Canagold Resources Ltd (formerly Canarc Resource Corp.), pursuant to which the Issuer holds an option to acquire 100% of the Fondaway Canyon and Dixie

Comstock properties.

2. Provide a general overview and discussion of the activities of management.

Management has been focused on receiving, interpreting and disclosing the results of the 2020 Fondaway Canyon drill program. The results of the second 3 holes, of the 6 hole drill program, were press released on February 10, 2021. A webinar was hosted by the Company on February 12, 2021 to explain the results of the second 3 holes and provided participants the opportunity to ask questions about the results.

On February 25, 2021, the Company announced the build out of the Company's technical team with the appointment of Scott Frostad as the Vice President of Exploration.

The Issuer filed its interim financial statements for the nine-month period ended December 31, 2020 and related management's discussion and analysis.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

The results of the second 3 holes of the 6-hole drill program were press released on February 10, 2021. A summary of the final 3 drill hole results is below:

- The final three holes all intersected broad zones of gold mineralization and have significantly extended the previously defined gold domains;
- Hole FCG20-04 identified the new North Fork gold zone that extended known gold mineralization 200 metres down dip towards the southwest;
- Holes FCG20-05 and FCG20-06 successfully extended the mineralized Colorado structural zone, initially intersected by holes FCG20-02 and FCG20-03, 150 metres down dip towards the southwest; and
- The highlighted gold zones remain open laterally and down-dip.

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

None.

5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.

The Issuer renewed the marketing agreement with Investing News Network ("INN"), an online source for investor-focused news and educational content on topics within the mineral resource, cannabis, tech and life science sectors. The renewal agreement with INN is for a twelve-month period until March 8, 2022. INN will be paid \$3,000 per month for services it will render to the Issuer. INN is not a Related Person of the Issuer. INN is owned by Dig Media Inc., a private company

headquartered in Vancouver, BC.

6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.

None.

7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.

None.

8. Describe the acquisition of new customers or loss of customers.

None.

9. Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks.

None.

10. Report on any employee hirings, terminations or lay-offs with details of anticipated length of lay-offs.

None.

11. Report on any labour disputes and resolutions of those disputes if applicable.

None.

12. Describe and provide details of legal proceedings to which the Issuer became a party, including the name of the court or agency, the date instituted, the principal parties to the proceedings, the nature of the claim, the amount claimed, if any, if the proceedings are being contested, and the present status of the proceedings.

None.

13. Provide details of any indebtedness incurred or repaid by the Issuer together with the terms of such indebtedness.

None.

14. Provide details of any securities issued and options or warrants granted.

Security	Number Issued	Details of Issuance	Use of Proceeds⁽¹⁾
Common shares	1,602,500	Exercise of warrants	The aggregate proceeds of \$259,700 will be used for exploration of the Issuer's properties and

			for general working capital.
Common shares	425,000	Exercise of stock options	The aggregate proceeds of \$34,000 will be used for exploration of the Issuer's properties and for general working capital.

(1) *State aggregate proceeds and intended allocation of proceeds.*

15. Provide details of any loans to or by Related Persons.

None.

16. Provide details of any changes in directors, officers or committee members.

Scott Frostad was appointed as VP of Exploration effective February 25, 2021.

17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

The price of gold has steadily improved over the last twelve months from a low of approximately US \$1,500 per troy ounce to a high of over US \$2,000 per troy ounce. While there had been a pull back to approximately US \$1,750, the outlook for a continuing strong gold price is positive and is attracting interest in the sector which has stimulated gold sector share pricing and improved access to capital.

The market for exploration companies can prove challenging in terms of raising sufficient capital to fund exploration activities. There is no guarantee that fundraising efforts will be successful on a continuing basis.

The Issuer's near-term strategy to advance its assets is not currently being impacted by the COVID-19 outbreak. The Issuer continues to monitor the situation and is in compliance with all government guidelines.

Certificate of Compliance
