Refer to 2.

2. Provide a general overview and discussion of the activities of management.

April 6, 2022
Senior management of the Issuer completed a successful business trip to Brazil, where they visited Porto Central, a new industrial port complex under development in Brazil, as well as several potential partners for the green ammonia facility at the site location of Porto Central. Mr. Benninger and Mr. Mobach visited the site location of the port in the southern end of the State of Espírito Santo in the Municipality of Presidente Kennedy and met during the roadshow with business leaders connected to green energy suppliers, offtakers, local institutions and high-ranked government officials. Espírito Santo State has favourable conditions for the development of renewable energy projects and the potential to play an important role in the national and global production of green hydrogen and green ammonia, generating business opportunities in the state and in the country.
