

## GABY Inc.'s Mankind Dispensary is Named to Leafly's 2022 List of Best Rated Dispensaries in California

*Mankind is recognized for its top-rated customer service, and industry-innovating "no glass barriers" retail experience*

**SAN DIEGO, CA / ACCESSWIRE / March 29, 2022** / GABY Inc. ("GABY" or the "Company") (CSE:GABY) (OTCQB:GABLF), a California consolidator of cannabis dispensaries and the parent company of San Diego's Mankind Dispensary ("Mankind"), is proud to announce that Mankind has been recognized as one of the top 20 dispensaries in California by Leafly and Leafly's more than 120 million yearly digital visitors.

Leafly's annual list of top dispensaries recognizes Mankind both for its top-rated customer service and budtender knowledge, and for its "no glass barriers" approach to cannabis.

"Mankind Dispensary believes customer knowledge is power, so the budtenders there are always ready to help customers understand the details of the medicine they're getting and how it works..." the article proclaims. "Leafly reviews tend to agree - more than 1,100 of them have rated Mankind, with a near-perfect score."

This recognition comes on the heels of several notable milestones for Mankind, including, being named to Inc Magazine's list of 5,000 fastest growing companies, the dispensary celebrating one-million customers served with a massive four-day event, and being honored as a top dispensary in the 2021 Best of Weedmaps awards.

"It's remarkable to see Mankind's reputation continue to grow as one of the top dispensaries in all of California," said GABY Inc. Founder and CEO Margot Micallef. "This recognition from Leafly further solidifies what cannabis consumers from all walks of life across Southern California and beyond already know - if you want the best cannabis experience possible, come to Mankind."

Each of Mankind and GABY Manufacturing, are subsidiaries of GABY and hold a cannabis license in the State of California. Readers are cautioned that unlike in Canada which has Federal 032320-F legislation uniformly governing the cultivation, distribution, sale and possession of medical cannabis under the Cannabis Act (Federal), in the United States ("U.S."), cannabis is largely regulated at the State level. Cannabis is legal in the State of California; however, cannabis remains illegal under U.S. federal laws. Notwithstanding the permissive regulatory environment of cannabis at the State level, cannabis continues to be categorized as a controlled substance under the Controlled Substances Act in the U.S. and as such, cannabis-related practices or activities, including without limitation, the manufacture, importation, possession, use or distribution of cannabis are illegal under U.S. federal law. To the knowledge of the Company, the businesses operated by each of GABY's subsidiaries are conducted in a manner consistent with the State law of California, as applicable, and are in compliance with regulatory and licensing requirements applicable in the State of California, respectively. However, readers should be aware that strict compliance with State laws with respect to cannabis will neither absolve GABY, or its subsidiary of liability under U.S. federal law, nor will it provide a defense to any federal proceeding in the U.S. which could be brought against any of GABY, or its subsidiary. Any such proceedings brought against GABY, or its subsidiary may materially adversely affect the Company's operations and financial performance generally in the U.S. market specifically
