

## **NEWS RELEASE**

### **HealthSpace Announces Intent to Award with the Sonoma County, CA**

**VANCOUVER, BC – February 23, 2021** - HealthSpace Data Systems Ltd. (the “Company” or “HealthSpace”) (CSE:HS) (Frankfurt:38H) (OTCQB:HDSLFL) is pleased to announce that Sonoma County, CA has announced their intent to award the Company a contract to become their environmental health data management solution. Once finalized, the total value of the contract will be US\$704,400 over the next five years. These figures do not include future revenue that will be generated as part of HSPay, which is also a part of this award.

HealthSpace CEO, Silas Garrison commented “I am thrilled to be able to announce another customer in California, particularly one in the Bay Area. I am proud of how our team has served other customers in the state, and the customer references who expressed a desire to see other jurisdictions in the state utilize our products. We look forward to working with and serving Sonoma County, as well as many other jurisdictions in California, for years to come.”

#### **HealthSpace Data Systems Ltd.**

HealthSpace is an industry leading technology company currently providing inspection, information, communication and data management systems for federal, state, county and municipal governments. Over the last decade, HealthSpace has successfully developed both enterprise and mobile internet-based applications currently serving over 500 state and local government organizations across North America. HealthSpace currently offers the only integrated inspection, administration and analytics product suite across all platforms in North America. Further, HealthSpace now delivers its government grade technologies to private businesses enabling them to gain visibility and predictability into their own organizations and move from a reactive to a proactive operational status. HealthSpace continues to deliver focused service and innovative solutions to government organizations, while expanding into commercial enterprise verticals to enable new customers with proactive environmental health best practices and policies. HealthSpace has now entered into the FinTech space by creating a payment platform that streamlines the intake of government revenue for the agencies it serves.

#### **Forward-Looking Statements**

This release may contain forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", “pipeline”, "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although HealthSpace believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in forward looking statements. HealthSpace expressly disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise.
