

ACME Lithium Announces Upgrade to OTCQB Market in the United States

Vancouver, British Columbia--(Newsfile Corp. - August 13, 2021) - **ACME Lithium Inc. (CSE: ACME) (OTCQB: ACLHF)** (the "Company", or "ACME") is pleased to announce that after successfully completing the application process, the Company has received approval from OTC Markets Group Inc. for its common shares to begin trading on the OTCQB Market ("**OTCQB**") beginning at market open on August 13th, 2021 under the symbol "ACLHF". The Company's common shares will remain listed on the CSE in Canada under the ticker symbol "ACME".

OTC Markets Group Inc., located in New York, N.Y., operates the world's largest electronic inter-dealer quotation system for broker dealers to trade over 10,000 securities. The OTCQB is a transparent trading platform that offers a cost-effective method for United States investors to access ACME's securities. ACME's quotation and trading on the OTCQB provides investors the opportunity to benefit from streamlined market standards which enhance the availability of information to the general public, enabling greater transparency. North American and international investors can find Real-Time level 2 quotes (denominated in US dollars) and market information for ACME Lithium Inc. common shares at <https://www.otcmarkets.com/stock/ACLHF/quote> along with current company news.

The Company would like to thank Nikolaos Galanopoulos of Galanopoulos & Company, the corporate securities law firm that advised ACME in relation to the OTCQB application process.

About ACME Lithium Inc.

Acme Lithium is a mineral exploration company engaged in the business of acquiring, exploring and evaluating natural resource properties. The Company has acquired or under option to acquire a 100-per-cent interest in 1212 claims encompassing approximately 2,440 acres, comprising the CC, CCP, JR and SX placer lithium claims, located in Clayton Valley, Esmeralda county, Nevada. Acme also holds a 100-per-cent interest in the FLV claims, being 81 lode mining claims totaling approximately 1,620 acres, in Esmeralda county, Nevada, which are prospective for lithium contained in tertiary claystones.

Neither the CSE nor its regulations service providers accept responsibility for the adequacy or accuracy of this news release. This news release may contain forward-looking information within the meaning of applicable securities laws ("forward-looking statements"). Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects," "plans," "anticipates," "believes," "intends," "estimates," "projects," "potential" and similar expressions, or that events or conditions "will," "would," "may," "could" or "should" occur and in this news release include but are not limited to the attributes of, timing for and expected benefits to be derived from the drilling program to be carried out on the FLV property. Information inferred from the interpretation of drilling and other sampling results may also be deemed to be forward-looking statements, as it constitutes a prediction of what might be found to be present when and if a project is actually developed. These forward-looking statements are subject to a variety of risks and uncertainties which could cause actual events or results to differ materially from those reflected in the forward-looking statements, including, without limitation: risks related to fluctuations in metal prices; uncertainties related to raising sufficient financing to fund the planned work in a timely manner and on acceptable terms; changes in planned work resulting from weather, logistical, technical or other factors; the possibility that results of work will not fulfill

expectations and realize the perceived potential of the Company's properties; risk of accidents, equipment breakdowns and labour disputes or other unanticipated difficulties or interruptions; the possibility of cost overruns or unanticipated expenses in the work program; the risk of environmental contamination or damage resulting from the Company's operations and other risks and uncertainties. Any forward-looking statement speaks only as of the date it is made and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any forward-looking statement, whether as a result of new information, future events or results or otherwise.
