

# Xanthic partners with ABH Pharma Inc. to produce CBD-infused dietary supplements for national U.S. retailers and e-commerce customers

TORONTO, June 11, 2018 /CNW/ - Xanthic Biopharma Inc. (formerly Aurquest Resources Inc.) ("**Xanthic**", CSE: xTHC) is pleased to announce a strategic partnership with ABH Pharma Inc. ("**ABH**"), a leading FDA-registered and GMP-certified manufacturer of in-house branded and private label dietary supplements in the United States. Through its partnership with Xanthic, ABH will offer "Xanthic Powered" CBD-infused products to customers across its broad range of dietary supplements. These products will be sold by a variety of well-known brick-and-mortar retailers and e-commerce websites.

Using the same non-cannabis and non-hemp CBD that powers Xanthic CBD Water, ABH is able to offer CBD-infused dietary supplement products for sale alongside its non-CBD products to customers. ABH manufactures products under its own brand names as well as under private label brands. All products using the Xanthic CBD powder will bear the catchphrase "Powered by Xanthic Solubles". (See Xanthic [press release](#) dated May 29, 2018 for more detail on Xanthic CBD Water).

Frank Cantone, President of ABH, stated: "We are excited to remain on the forefront of the nutraceuticals industry with this development. The Xanthic partnership allows us to provide our customers with a competitive advantage, continuing to meet the evolving demands of consumers."

Tim Moore, CEO of Xanthic, commented: "Our partnership with ABH represents an important step for Xanthic. It allows us to introduce "Powered by Xanthic" CBD powder technology to a broader consumer audience across the United States. The ABH portfolio of state-of-art dietary supplements is a perfect partner for our technology."

## About Xanthic

Xanthic, through its wholly-owned operating subsidiary, Xanthic Biopharma Limited, provides valuable intellectual property to cannabis industry participants, enabling its strategic partners to produce high quality, innovative, non-combustible cannabis and cannabis-infused products. Using a proprietary process, Xanthic empowers its strategic partners to deliver superior cannabinoid solubility, improved bioavailability, accurate micro-dosing, and greater consistency versus competitive infused products. Through its investment in Xanthic Beverages, Xanthic has access to non-cannabis derived CBD-infused products that qualify for distribution outside of the cannabis dispensary network and into mainstream retail.
