

NEWS RELEASE

ALLIANCE GROWERS FEATURED IN CANNAINVESTOR MAGAZINE

July 25, 2019 – Vancouver, BC – Alliance Growers Corp. (CSE: ACG; FWB:1LA; OTCQB: ALGWF) (“Alliance Growers” or “the Company”), announces it is the featured company in the Canadian CannaInvestor Magazine July / August 2019 Issue. The Canadian CannaInvestor Magazine is the leading industry investment magazine for cannabis investors, analysts, executives, entrepreneurs, and the financial media. The digital version of the magazine is accessible and free to all subscribers of CannaInvestor Magazine who enter their email address. Alliance Grower’s cover feature can be found by clicking on this link <https://joom.ag/h2We> or by visiting Canadian CannaInvestor Magazine’s website www.cannainvestormag.ca or U.S. CannaInvestor Magazine’s website www.cannainvestormag.com.

Commenting on being featured in CannaInvestor Magazine, Dennis Petke, President and CEO of Alliance Growers stated, “Being featured in this well-known and respected publication in the Cannabis space kicks off a number of activities that Alliance will be announcing in the coming weeks. We will be announcing updates on the financing for the Cannabis Biotech Complex, the East Africa farm-in project to cultivate and sell medical Cannabis to Germany and a warrant incentive program. The warrant incentive program is expected to generate between \$500,000 and up to as much as \$1M by the end of August. This financing, along with The New York Family Office financing plus the initiation of the Short Form Prospectus will position Alliance to execute on its projects and provide value to all stakeholders in a timely manner. We encourage all warrant holders to watch for the letter in the coming days. We believe warrant holders will be pleased with the lower warrant pricing and the other incentive being offered. We thank our many loyal shareholders for their support and patience as we execute on our business plan in a very volatile cannabis market.

About Alliance Growers Corp.

Alliance Growers is a Diversified Global Medical Cannabis Company driven by the Company’s ‘Four Pillars’ Organization Plan – Cannabis Biotech Complex, Strategic ACMPR Investments, CBD Oil Supply and Distribution, and Research and Technology.

Alliance Growers is working with Pharmagreen Biotech Inc. to jointly develop and operate a 63,000-square foot Cannabis Biotech Complex, to be the first of its kind in Western Canada to house a DNA Botany lab, CBD extraction facility and Tissue Culture Plantlet Production facility to service the Cannabis market and agriculture market in general.

FORWARD LOOKING INFORMATION

This news release contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. These statements relate to future events or future performance. All statements other than statements of historical fact may be forward-looking statements or information. More particularly and without limitation, the news release contains forward-looking statements and information relating to Company's corporate strategy. The forward-looking statements and information are based on certain key expectations and assumptions made by management of the Company, including, without limitation, the Company's ability to carry out its business plan. Although management of the Company believes that the expectations and assumptions on which such forward-looking statements and information are based are reasonable, undue reliance should not be placed on the forward-looking statements and information since no assurance can be given that they will prove to be correct.

Forward-looking statements and information are provided for the purpose of providing information about the current expectations and plans of management of the Company relating to the future. Readers are cautioned that reliance on such statements and information may not be appropriate for other purposes, such as making investment decisions. Since forward-looking statements and information address future events and conditions, by their very nature they involve risks and uncertainties. Actual results could differ materially from those currently anticipated due to a number of factors and risks. These include, but are not limited to, the Company's ability to identify and complete additional suitable acquisitions to further the Company's growth as well as risks associated with the medical marijuana industry in general, such as operational risks in development and production delays or changes in plans with respect to development projects or capital expenditures; the uncertainty of the capital markets; the uncertainty of receiving the required licenses, production, costs and expenses; health, safety and environmental risks; marketing and transportation; loss of markets; environmental risks; competition; incorrect assessment of the value of the potential market; ability to access sufficient capital from internal and external sources; failure to obtain required regulatory and other approvals and changes in legislation, including but not limited to tax laws and regulated regulations. Accordingly, readers should not place undue reliance on the forward-looking statements, timelines and information contained in this news release. Readers are cautioned that the foregoing list of factors is not exhaustive.

The forward-looking statements and information contained in this news release are made as of the date hereof and no undertaking is given to update publicly or revise any forward-looking statements or information, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws or the Canadian Securities Exchange. The forward-looking statements or information contained in this news release are expressly qualified by this cautionary statement.
