

News Release

Advantagewon Oil Corp., Continues to Grow LaVernia Land Package.

FOR IMMEDIATE RELEASE

Oct 19th, 2017

Toronto, Ontario, October 19th, 2017 – Advantagewon Oil Corp., (CSE: AOC), (OTC Pink: ANTGF), (the “Corporation”, “Advantagewon”) announced today that it has entered into a Purchase and Sale Agreement to purchase 100% working interests in the Linnie Rouse lease located in the LaVernia field in the State of Texas. Total purchase price for the lease will be One Hundred and Eighty Thousand Dollars (“\$180,000.00”) USD. The Corporation will acquire the lease in full via a cash payment.

The Rouse lease comprises 257 acres, produces 5 BOPD and is located adjacent to other AOC lands and a pool that has produced over 4,000,000 barrels of oil. This lease has seen minimal previous oil development.

As a result of this acquisition, Advantagewon now holds the rights to approximately 4,000 acres in the LaVernia field.

Our NI 51-101 (a copy of which is on our website) indicated an undiscounted value of US\$96,000,000 for the 1,200 acres included in the report. We believe these results are indicative of our whole land package and are in the process of having our report updated.

About Advantagewon Oil Corp.

Advantagewon is focused on building consistent cash flow from low cost, low risk oil wells in the State of Texas. AOC applies specialized expertise to increase oil recovery from 10-15% to up to 75% for each well. Once the enhanced recovery strategy is successfully applied, AOC will repeat the process throughout the oil pool to maximize output and minimize cost and risk.
