MONTHLY PROGRESS REPORT

Name of Listed Issuer: **Global Cannabis Applications Corp. (the "Issuer")**

Trading Symbol: **APP**

Number of Outstanding Listed Securities: **92,591,379**

Date: **November 4, 2018**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The Issuer is a global leader in designing, developing, marketing and acquiring innovative data technologies for the cannabis industry. The Citizen Green platform is the world's first end-to-end – from patient to regulator – medical cannabis data solution. It uses six core technologies: mobile applications, artificial intelligence, regtech, smart databases, blockchain and digital reward tokens, to qualify candidates for clinical studies. These technologies facilitate the proliferation of digital conversations by like-minded people in the medical cannabis community. Managed by digital and cannabis industry experts, the Issuer is focused on viral global expansion by providing the best digital experience in the cannabis market.

During the month of October 2018, management continued to support and control the Issuer's business activities with a focus on creating broader awareness of the Issuer and continued development of product line.

2. Provide a general overview and discussion of the activities of management.

On October 8, 2018, the Issuer announced by way of news release that it had signed a letter of intent with Cannact LLC (“Cannact”), a seasoned distributor of cannabis technology and products in California, to enter into a license agreement to integrate the Citizen Green patient-care solution for medical cannabis onto Cannact’s platform with potential integration for related cannabis retailer partners.

The Cannact team have established relationships with over 50 retail partners and dispensaries. The Citizen Green Prescriptii solution will be integrated onto the Cannact platform and then offered to its large retail, distribution and medical partner network. This will provide the basis for the Issuer and Cannact to collaborate and collect clinical and user cannabis data with the goal of validating treatment efficacy and improving patient outcomes globally.

On October 30, 2018, the Issuer announced by way of news release the launching of a major marketing and sales campaign starting October 31, 2018, targeting medical cannabis dispensaries in cannabis-friendly jurisdictions across North America, through its citizengreen.io website. The new website will have all the information necessary for medical cannabis retailers to learn about the smart technology driven Citizen Green Community designed to improve patient outcomes and grow retail businesses.

The citizengreen.io website is part of an aggressive marketing and sales campaign to introduce the Citizen Green Community to all medical cannabis retailers starting with over 3,300 retail dispensaries with the majority located in California, Colorado, and Arizona. The newly launched website will include detailed descriptions about the powerful tools for retailers, thorough explanations about the potential returns available to members and live demonstrations. It will also include examples of data insight reports that are generated by the Prescriptii Patient-Care solution and the proprietary Pain to Strain™ machine learning engine.

As part of the Issuer’s sales effort, its executive team will be attending the MJBizCon Conference and Expo in Las Vegas, Nevada, on November 14 – 16, 2018, the premier marijuana business conference in North America. In addition to networking with professionals from leading U.S. cannabis businesses, the team will also meet with key accounts and conduct live demonstrations of the Citizen Green Community. Retailers attending the conference will be able to schedule a demo with the GCAC team at www.citizengreen.io.

Also on October 30, 2018, the Issuer announced it had closed the first tranche of its non-brokered private placement (the “Private Placement”) issuing 2,916,116 units at a price of \$0.18 per unit (the “Financing Units”) for gross proceeds of \$524,900.88. Each Financing Unit consists of one common share and one common share purchase warrant, whereby each warrant entitles the holder to purchase one additional common share of the Company for a period of two years from closing at an exercise price of \$0.33 per common share.

Finders’ fees in the form of cash commissions totalling \$31,598.07 and non-transferable finders’ warrants totalling 175,544, representing 7% of the gross proceeds from certain subscribers and 7% of the number of Financing Units distributed, respectively, have been paid and issued to certain arm’s-length finders. Each finder’s warrant entitles the holder to purchase one additional common share of the Company for a period of two years from closing at an exercise price of \$0.33 per common share.

Net proceeds from the Private Placement will be used for working capital and general corporate purposes.

In addition, in connection with the Private Placement, the Company has settled an aggregate of \$197,499.96 in debt through the issuance of 1,097,222 units, each issued at a deemed value of \$0.18 (the Creditor Units”), to various creditors, one of whom is a director and officer of the Company. Each Creditor Unit also consists of one common share and one common share purchase warrant, whereby each warrant entitles the holder to purchase one additional common share of the Company for a period of two years from closing at an exercise price of \$0.33 per common share.
