#### **Report on Business**

**In continuing efforts to enhance the customer service offer to our growing client base, ASTI recently coordinated an advanced, hands-on and didactic service training program in Denver Colorado. This proactive approach to maintaining customer service excellence as our product sales grow, trained a regional team of new technicians on all three (3) current laser products.**

**Given a growing network of group practices who could purchase multiple devices and consolidated buying initiatives across the US, sales by referral represent a significant avenue for revenue growth, hence the concentration on customer service excellence is considered an investment in future sales potential as well.**

**In consideration of the next round of funding which is in the process, ASTI has scheduled six (6) Regional Sales Training seminars in the first quarter of 2019. The attendees are accomplished, experienced and qualified sales teams who have signed distribution contracts with ASTI and are ready to begin marketing the ASTI product family to their existing and new clientele. These Regional Sales Training seminars will include a didactic component, clinical simulation workshops and live surgical cases operating rooms with experienced local surgeons.**

**The locations for the seminars are as follows:**

- 1) Tampa Bay, Florida**
- 2) Charlotte, North Carolina**
- 3) Kansa City Missouri**
- 4) Mobile, Alabama**
- 5) New York, New York**
- 6) St. Paul, Minnesota**

2. Provide a general overview and discussion of the activities of management.

**Management of ASTI continues discussions with potential investors and term lenders regarding the working capital requirements of the ASTI.**

**Hopefully, several closings will occur within the next 30 to 60 days which will enable the ASTI to recruit experienced sales representatives who have expressed serious interest in marketing ASTI's lasers and fibers to their respective client base of Urologists, Hospitals, and Clinics in the USA.**
