

ADVANCED GOLD EXPLORATION ANNOUNCES UPLISTING TO OTCQB

TORONTO, ONTARIO – April 6, 2026 – Advanced Gold Exploration Inc. (CSE: AUEX; FSE: ZF2; OTCQB: AUHIF) ("Advanced Gold" or the "Company") is pleased to announce that its common shares have been approved for uplisting from the OTC Pink Market to the **OTCQB® Venture Market (OTCQB)**, effective at the opening of market trading on April 2, 2026.

The Company will continue to trade under its current U.S. symbol "**AUHIF**" and its primary listing on the Canadian Securities Exchange (CSE) under the symbol "**AUEX**".

This transition marks a significant milestone in the Company's strategy to broaden its investor base and enhance shareholder value. The OTCQB is designed for developing and entrepreneurial companies and requires a higher level of transparency and regulatory oversight than the OTC Pink Market.

Key benefits of the uplisting include:

- **Enhanced Visibility:** Greater exposure to a wider range of U.S. institutional and retail investors.
- **Increased Liquidity:** Improved trading accessibility for international stakeholders.
- **Standardized Reporting:** Adherence to strict financial reporting and corporate governance standards, providing investors with greater confidence and transparency.

"Uplisting to the OTCQB is a natural step in our evolution as we continue to advance our recent acquisition of the Silver Belle property in Nevada. We believe the Silver Belle has all the earmarking's of a CRD (carbonate replacement deposit) and look forward to showcasing our findings to US investors with this listing." Said Arndt Roehlig, CEO of Advanced Gold.
