www.blockchainfoundry.com**

Toronto, ON – June 7, 2021: Blockchain Foundry Inc. (“BCF” or the “Company”) (CSE:BCFN), a leading North American blockchain development firm, is pleased to announce that it has launched a new corporate website and upgraded its website address from www.blockchainfoundry.co to www.blockchainfoundry.com.

BCF’s new website better reflects the current state of the Company’s business, including new areas of development such as enterprise products and blockchain protocol research and innovations. In addition, BCF has launched an accelerator program to help entrepreneurs realize their start-up vision in the blockchain space. The Company’s website now includes information and an application process for prospective accelerator partners.

“We are excited to launch BCF’s new corporate website,” said Dan Wasyluk, CEO of Blockchain Foundry. “Our business has expanded from its original focus on consulting work, and our new website reflects this growth. We are also pleased to offer entrepreneurs an easy way to apply for our accelerator program through our website and we are excited for it to become an important source of early-stage opportunities for BCF.”

Forward-Looking Information

Certain portions of this press release contain “forward-looking information” within the meaning of applicable Canadian securities legislation, which is also referred to as “forward-looking statements”, which may not be based on historical fact. Wherever possible, words such as “will”, “plans,”

“expects,” “targets,” “continues,” “estimates,” “scheduled,” “anticipates,” “believes,” “intends,” “may,” “could,” “would” or might, and the negative of such expressions or statements that certain actions, events or results “may,” “could,” “would,” “might” or “will” be taken, occur or be achieved, have been used to identify forward-looking information.

Forward-looking statements should not be read as guarantees of future events, future performance or results, and will not necessarily be accurate indicators of the times at, or by which, such events, performance or results will be achieved, if achieved at all. Readers should not place undue reliance on such forward-looking statements, as they reflect management’s current views with respect to future events and are subject to risks and uncertainties and are necessarily based upon a number of estimates and assumptions that, while considered reasonable by BCF are inherently subject to significant business, economic, regulatory, competitive, political and social uncertainties, and contingencies. Many factors could cause BCF’s actual results, performance or achievements to be materially different from any future results, performance, or achievements that may be expressed or implied by such forward-looking statements.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities described herein in the United States. The securities described herein have not been registered under the United States Securities Act of 1933, as amended (the “U.S. Securities Act”), or any state securities law and may not be offered or sold in the “United States”, as such term is defined in Regulation S promulgated under the U.S. Securities Act, unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration requirements is available.
