

BELGRAVIA CAPITAL INTERNATIONAL announces that ISS Recommends that all Tartisan shareholders Use Only Belgravia's GREEN proxy or GREEN VIF to Vote on All Matters

TORONTO – (GLOBE NEWSWIRE) – September 6, 2018 – BELGRAVIA CAPITAL INTERNATIONAL INC. (CSE:BLGV) (OTCQB:BLGVF) (“Belgravia”) a 7.6% stakeholder of Tartisan Nickel Corp. (CSE:TN) (“Tartisan”), today announced that Institutional Shareholder Services Inc. (“ISS”), a leading independent proxy advisory firm, has come out in support of Belgravia’s call for change at Tartisan.

ISS Supports Concerned Shareholders of Tartisan Nickel Corp. and Recommends Change is Warranted to Incumbent Board

ISS is recognized as a leading independent proxy and corporate governance advisory firm whose recommendations are relied upon by many major institutional investment firms, mutual and pension funds and other institutional shareholders throughout North America.

Mr. Mehdi Azodi, President and CEO of Belgravia said, “Corporate governance, integrity and responsibility to all shareholders is the cornerstone of the capital markets and a vital part of success for microcap companies. The vote of confidence from ISS is an important step in turning around Tartisan and creating value for all shareholders.”

In supporting Belgravia’s call for change, ISS commented as follows:

- The dissident has made a compelling case for change in order to tackle operating, strategic and corporate governance issues faced by the business. Moreover, such dissident majority representation is expected to provide a better governance over Tartisan’s CEO.
- Overall, due to significant concerns regarding the existing board’s decisions and oversight, which have resulted in poor governance, underperforming share price, increased expense level and questionable strategy, a majority dissident representation on the board seems an appropriate measure at this time.

Vote for the Belgravia nominees - Harvey McKenzie, Norman Brewster, Sidney Himmel and Grant Sawiak on your **GREEN** proxy or **GREEN VIF**.
