Bee Vectoring Technologies to Host Virtual Investor Day

Mississauga, ON Canada and Sacramento, CA USA (September 2, 2021) – Bee Vectoring Technologies International Inc. (the “Company” or “BVT”) (CSE: BEE) (OTCQB: BEVVF) (CVE:BEE) today announced that it will host a virtual Investor Day on Tuesday, September 14, 2021, from 2:00PM Eastern (1:00PM Central / 12:00PM Mountain / 11:00AM Pacific / 8:00PM Central European) to 4:30PM Eastern.

This virtual event will feature presentations from BVT’s management team and a moderated Q&A session. The topics covered will include:

- Corporate overview of the business strategy by Ashish Malik, CEO
- US commercialization progress by Ian Collinson, Sales Manager
- Field interviews by US Territory Managers with growers, a beekeeper and a pest control advisor
- EMEA strategy and update by Christoph Lehnen, Business Manager for EMEA

Attendees can expect to gain valuable insights and knowledge about the Company's business strategy and progress in key markets around the world.

“We are coming off strong Q3 results where we just reported an almost 50% increase in revenue for the 9 months in FY2021 (as invoiced in US Dollars) confirming the strong traction in our commercialization efforts in the US, and we are progressing with our geographic and portfolio expansion projects,” said Ashish Malik, CEO of Bee Vectoring Technologies. “This Investor Day is a unique opportunity to gain insight into not only our plan for the future, but also our day to day operations and learn directly from the BVT team and our clients about why BVT will play an important role in the future of agriculture.”

The video webcast of the event will be broadcast online. For the full agenda and to register for BVT's Virtual Investor Day, visit <https://www.beevt.com/investors/2021investorday>. Participants will receive an email confirmation with a unique access code and web link to access the virtual conference online.

The event will conclude with a live Q&A session with BVT management when participants will be able to ask questions via the moderator. Those wishing to submit questions beforehand can do so by emailing – info@beevt.com – with the subject line reading ‘BVT 2021 Virtual Investor Day.’ Submitted questions will be read out by the moderator during the Q&A portion of the webcast.

Please access the webcast 10 minutes prior to the start of the call to download and install any necessary audio/visual software. Following the call, a replay of the webcast will also be available on the Company's website at the same link.

About [Bee Vectoring Technologies International Inc.](#)

BVT, an agriculture technology company, is a market disruptor with a significant global market opportunity in the \$240 billion crop protection and fertilizer market. BVT has pioneered a natural precision agriculture system that replaces chemical pesticides and wasteful plant protection product

spray applications by delivering biological pesticide alternatives to crops using commercially grown bees. BVT's award-winning technology, precision vectoring, is completely harmless to bees and allows minute amounts of naturally-derived pesticides (called biologicals) to be delivered directly to blooms, providing improved crop protection and yield results than traditional chemical pesticides – and improving the health of the soil, the microbiome and the environment. Currently, BVT has over 65 granted patents, over 35 patents pending in all major agricultural countries worldwide, and has US EPA registration of its Vectorite™ with CR-7 (EPA Registration No. 90641-2) for sale as a registered biological fungicide for use on the labeled crops.
