Bee Vectoring Technologies Closes Non-Brokered Private Placement and Debt Settlement

Mississauga, ON Canada and Sacramento, CA USA (March 6, 2023) – Bee Vectoring Technologies International Inc. (the “Company” or “BVT”) (CSE: BEE) (OTCQB: BEVVF) (CVE:BEE) is pleased to announce that it has closed a non-brokered private placement of 1,491,667 units (the “Units”) issued at a price of \$0.12 per Unit for gross aggregate proceeds of \$179,000 (the “**Private Placement**”). Each Unit is comprised of one common share (each a “**Share**”) and one common share purchase warrant (each a “**Warrant**”). Each Warrant is exercisable to acquire one additional Share of the Company for a period of 36 months from closing at a price of \$0.20.

The Company paid \$840.00 in cash and issued 7,000 Warrants on the same terms noted above to qualified parties in connection with the Private Placement. The Company intends to use the gross proceeds from the Private Placement to fund its ongoing growth strategy in the agricultural space, for continued research and development and general working capital purposes.

The Company also announces that it has entered into a debt settlement agreement (the “**Settlement Agreement**”) to settle an outstanding cash payment owed to an arm’s length creditor in the amount of \$157,180 for consulting fees (the “**Debt Settlement**”). Pursuant to the Settlement Agreement, the Company has issued an aggregate of 1,310,000 Shares to the creditor at a deemed price of \$0.12 per Share.

All securities issued pursuant to the Private Placement and Debt Settlement are subject to a statutory hold period that will expire on July 7, 2023, in accordance with applicable securities laws.

None of the securities issued in connection with the Private Placement have been registered under the United States Securities Act of 1933, as amended (the “1933 Act”), and none of them have been offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the 1933 Act. This news release shall not constitute an offer to sell or a solicitation of an offer to buy nor shall there be any sale of the securities in any state where such offer, solicitation, or sale would be unlawful.

About [Bee Vectoring Technologies International Inc.](#)

BVT, an agriculture technology company, is a market disruptor with a significant global market opportunity in the \$240 billion crop protection and fertilizer market. BVT has pioneered a natural precision agriculture system that replaces chemical pesticides and wasteful plant protection product spray applications by delivering biological pesticide alternatives to crops using commercially grown bees. BVT’s award-winning technology, precision vectoring, is completely harmless to bees and allows minute amounts of naturally-derived pesticides (called biologicals) to be delivered directly to blooms, providing

improved crop protection and yield results than traditional chemical pesticides – and improving the health of the soil, the microbiome and the environment. Currently, BVT has over 65 granted patents, over 35 patents pending in all major agricultural countries worldwide and has US EPA registration of its Vectorite™ with CR-7 (EPA Registration No. 90641-2) for sale as a registered biological fungicide for use on the labeled crops.

The CSE has neither approved nor disapproved the contents of this press release. The CSE does not accept responsibility for the adequacy or accuracy of this release. Certain statements contained in this press release constitute "forward-looking information" as such term is defined in applicable Canadian securities legislation. The words "may", "would", "could", "should", "potential", "will", "seek", "intend", "plan", "anticipate", "believe", "estimate", "expect" and similar expressions as they relate to the Company, "annual revenue potential", are intended to identify forward-looking information. All statements other than statements of historical fact may be forward-looking information. Such statements reflect the Company's current views and intentions with respect to future events, and current information available to the Company, and are subject to certain risks, uncertainties and assumptions. Material factors or assumptions were applied in providing forward-looking information. Many factors could cause the actual results, performance or achievements that may be expressed or implied by such forward-looking information to vary from those described herein should one or more of these risks or uncertainties materialize. These factors include changes in law, competition, litigation, the ability to implement business strategies and pursue business opportunities, state of the capital markets, the availability of funds and resources to pursue operations, new technologies, the ability to protect intellectual property rights, the ability to obtain patent protection for products, third-party intellectual property infringement claims, regulatory changes affecting products, failing research and development activities, the ability to reach and sustain profitability, dependence on business and technical experts, the ability to effectively manage business operations and growth, issuance of debt, dilution of existing securities, volatility of publicly traded securities, potential conflicts of interest, unlikelihood of dividend payments, the potential costs stemming from defending third-party intellectual property infringement claims, the ability to secure relationships with manufacturers and purchasers, as well as general economic, market and business conditions, as well as those risk factors discussed or referred to in the Company's Filing Statement dated August 14, 2020, filed

with the CSE and securities regulatory authorities in certain provinces of Canada and available at www.sedar.com. Should any factor affect the Company in an unexpected manner, or should assumptions underlying the forward-looking information prove incorrect, the actual results or events may differ materially from the results or events predicted. Any such forward-looking information is expressly qualified in its entirety by this cautionary statement. Moreover, the Company does not assume responsibility for the accuracy or completeness of such forward-looking information. The forward-looking information included in this press release is made as of the date of this press release and the Company undertakes no obligation to publicly update or revise any forward-looking information, other than as required by applicable law.
