enjoyed by Kim's closest friends and family as part of a curated CBD themed party designed to provide guests a soothing, relaxing holistic health experience.

"I am freaking out so much, I just want a Zen-like CBD-themed baby shower," Kim Kardashian told E! News when asked about the theme for the party.

With the imminent addition of her fourth child, Kim Kardashian threw the CBD themed shower to enjoy some relaxation with her family and closest friends. The baby shower was held at Kim and Kanye West's sprawling estate in Hidden Hills and included celebrity guests including Sia, Chrissy Teigen, Paris Hilton, Kris Jenner and the Kardashian sisters: Khloe, Kourtney, and Kylie.

The CBD-based experience at the baby shower was curated by HelloMD to create an experiential CBD wellness event including a selection of Wildflower products. A variety of treatments featured at the baby shower included a Wildflower CBD+ Pure tincture infused tea station; Wildflower CBD+ Pure tincture infused beverages at the bar; enjoyment of Wildflower's CBD+ Aches blend Vaporizer before a sound bath; and a CBD bar where guests made their own infused oils and bath salts.

At the end of the baby shower, guests were gifted [Wildflower's CBD+ Mist Starter Kit](#) which featured Lavender and Vanilla CBD soaps, CBD capsules, Cool Stick and the Immunity Vaporizer.

William Maclean, CEO of Wildflower Brands says, "With the growing mainstream interest in the benefits of CBD, Wildflower continues to receive recognition as leading premium brand representing quality plant-based wellness. I am proud of our products and the relief and support it brings people from all walks of life."

## ABOUT WILDFLOWER

Wildflower Brands is a Vancouver-based company developing and designing brands that focus on plant-based health and wellness products. All of our brands work in synergy, toward becoming a global wellness leader.

## Cautionary and Forward-Looking Statements

*This news release contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. These statements relate to future events or future performance. All statements other than statements of historical fact may be forward-looking statements or information. Forward-looking statements and information are often, but not always, identified by the use of words such as "appear", "seek", "anticipate", "plan", "continue", "estimate", "approximate", "expect", "may", "will", "project", "predict", "potential", "targeting", "intend", "could", "might", "should", "believe", "would" and similar expressions.*

*Forward-looking statements and information are provided for the purpose of providing information about the current expectations and plans of management of the Company relating to the future. Readers are cautioned that reliance on such statements and information may not be appropriate for other purposes, such as making investment decisions. Since forward-looking statements and information address future events and conditions, by their very nature they involve inherent risks and uncertainties. Actual results could differ materially from those currently anticipated due to a number of factors and risks. These include, but are not limited to, the risks associated with the marijuana industry in general such as operational risks in growing; competition; incorrect assessment of the value and potential benefits of various transactions; ability to access sufficient capital from internal and external sources; failure to obtain required regulatory and other approvals and changes in legislation, including but not limited to tax laws and government regulations. Accordingly, readers should not place undue reliance on the forward-looking statements, timelines and information contained in this news release. Readers are cautioned that the foregoing list of factors is not exhaustive.*

*The forward-looking statements and information contained in this news release are made as of the date hereof and no undertaking is given to update publicly or revise any forward-looking statements or information, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws or the Canadian Securities Exchange. The forward-looking statements or information contained in this news release are expressly qualified by this cautionary statement.*

*The Canadian Securities Exchange Inc. has in no way passed upon the merits of the proposed transaction and has neither approved nor disapproved of the contents of this press release.*
