**FOR IMMEDIATE RELEASE**

### **BioCure Technology Inc. announces issuance of warrants**

**Vancouver, British Columbia – BioCure Technology Inc. (CSE: CURE) (“BioCure” or the “Company”)** has issued an aggregate of 1.89 million share purchase warrants with an exercise price of \$0.63 per share. The warrants are issuable pursuant to a services agreement dated March 22, 2017, as amended and originally entered into by the company's wholly owned subsidiary, Biocurepharm Corp., with Columbia Capital Inc. Pursuant to the agreement, CCI was, among other things, entitled to a success fee in relation to the completion of the company's acquisition of BP Korea, of warrants to acquire up to 5 per cent of the outstanding shares of BP Korea. BP Korea and CCI previously agreed that this fee would be settled through the issuance of warrants to acquire 3.79 million common shares of the company at an exercise price and for a term to be determined, which warrants would be issued within six months of the completion of the transaction.
