Not for distribution to U.S. newswire services or for dissemination in the U.S.

VANCOUVER, December 14, 2018 – C21 Investments Inc. (“C21” or the “Company”) (CSE: CXXI) today announced that based on its reduced cash requirements to complete the restructured acquisition of Silver State Relief and Silver State Cultivation (“Silver State”), as announced December 12, 2018, C21 has reduced and amended the terms of its brokered syndicated private placement offering led by Industrial Alliance Securities Inc. (the “Lead Agent”) with Canaccord Genuity Corp. and Sprott Capital Partners as syndicate members (collectively, with the Lead Agent, the “Agents”), as announced November 8, 2018, to the sale of up to a maximum of 10,000 units of C21 (the “Units”), at a price of \$1,000 per Unit for gross proceeds of a minimum of \$5,000,000 and up to a maximum of \$10,000,000 (as so reduced and amended, the “Offering”).

Each Unit consists of one \$1,000 principal amount 10% unsecured convertible debenture (the “Debenture”) and one-half of one non-transferable debenture warrant (each whole warrant, a “Warrant”). Each Warrant will entitle the holder thereof to purchase, for a period of 24 months from the date of issue, one additional \$1,000 principal amount 10% unsecured convertible debenture (a “Warrant Debenture”) at an exercise price of \$1,000 per Warrant Debenture. The Debentures are convertible to common shares of C21 at a price of \$0.80 per common share. The Warrant Debentures are convertible into common shares of C21 at a price of \$0.90 per common share. The Debentures and Warrant Debentures will mature two years from the date of issuance of the Debentures.

Net proceeds from the Offering are intended to be used primarily to complete previously announced acquisitions in the United States, and to upgrade and expand the acquired businesses.

In consideration of the services rendered by the Agents in connection with the Offering, C21 has agreed to pay the Agents on the closing of the Offering an aggregate cash fee equal to: (a) 6.0% of the gross proceeds of the Offering resulting from the sale of Units to purchasers (other than purchasers identified on a mutually agreed upon subscriber list (the “President’s List”)); and (b) 3% of the gross proceeds of the Offering resulting from the sale of Units to purchasers on the President’s List. In addition, C21 has agreed to issue to the Agents warrants for the purchase of Debentures in a number equal to: (a) 6% of the number of Units sold to purchasers (other than to purchasers on the

President's List); and (b) 3% of the number of Units sold to purchases on the President's List.

Closing of the Offering is expected to occur on January 4, 2019, or such other date as the Lead Agent and the Company may agree. The closing of the Offering is subject to a number of conditions, including receipt of all necessary corporate and regulatory approvals, including the Canadian Securities Exchange.
