Legacy has executed an exclusive distribution agreement with **RAP SNACKS®** for its Colorado and Wyoming territories.

Brad Wyatt, CEO of CBD Global Sciences shared “I am excited to announce the addition of the snack line from [RAP SNACKS®](#). James and his team have done a fabulous job at combining marquee Hip Hop artists with an incredibly creative and tasty snack offering. I am confident that the demand for this product line will grow quickly.”

ABOUT [RAP SNACKS®](#)

[RAP SNACKS®](#) was founded in 1994 by James Lindsay, the founder and current CEO of Rap Snacks. He and his team has created a synergy between well-known and ‘up and coming’ hip-hop artists by developing for each artist their own special flavor and branding. The snack bags have an artistic rendition of the hip-hop artist on the front of the bag with each having its own special flavor. On the back of each bag is a QR code which allows the consumer to get a special message from the artist.

James Lindsay has had two passions from day one, there was never any doubt that Lindsay’s career would incorporate both food and music. “As a kid, I considered myself a snack food connoisseur,” Lindsay says. Like some sort of snack-mad scientist, he would often take various types of chips and mix them together in one bag in search of the next great flavor, to keep one step ahead of what was currently on the market. “I just think that hip-hop is so open, it has no limitations. And it connects with different brands and products right now because it’s dominant. It’s the most dominant category in music right now.

Everybody's rapping now. No matter what color you are, what's your background, everybody's rapping. It's a way to express yourself in a very truthful and honest manner."

Previous artists featured among Rap Snacks lineup include Ol' Dirty Bastard, Master P, Meek Mill, Yung Joc, Bell Biv DeVoe, Baby, Big Tymers, Pretty Willie, Ms. Toi, Mack 10, and Pastor Troy.
