**Re: Chemistree Technology Inc. (the "Corporation")
Private Placement of Units of the Corporation**

Dear Sirs/Mesdames:

We are acting as British Columbia counsel to the Corporation in connection with the issue and sale on June 25, 2018 pursuant to a non-brokered private placement of 7,313,771 units (the "**Units**") of the Corporation at a price of \$0.35 per Unit. Each Unit is comprised of one common share in the capital of the Corporation (each, a "**Unit Share**") and one common share purchase warrant (each, a "**Warrant**") entitling the holder thereof to purchase one common share in the capital of the Corporation at a price of \$0.50 per share (each, a "**Warrant Share**") for a period of twenty-four months, subject to acceleration as provided for in the certificates representing such warrants. This opinion is being provided to you in connection with the Corporation's application to list the Shares on the Canadian Securities Exchange.

We have examined such corporate records of the Corporation, certificates of public officials and officers of the Corporation and such other documents as we have deemed necessary or appropriate, including, without limitation, the officer's certificate dated June 25, 2018 (the "**Certificate**"), and have considered such questions of law and made such other investigations, as we have deemed relevant or necessary as a basis for the opinions hereinafter expressed. With respect to such factual matters referred to herein and which were not independently verified, we have relied solely on the Certificate. We have further assumed the conformity to original documents of all documents submitted to us as certified, notarial, true, facsimile or photostatic copies, the authenticity of the originals of such copies and the accuracy and completeness of the information contained therein.

We are qualified to practice law in the Province of British Columbia and our opinion herein is restricted to the laws of the Province of British Columbia and the federal laws of Canada applicable therein.

Based and relying on and subject to the foregoing, we are of the opinion that: (i) the Unit Shares have been duly authorized and are validly issued as fully paid and non-assessable common shares in the capital of the Corporation; and (ii) the Warrant Shares have been duly authorized and, upon full payment therefor and the issue thereof in accordance with the certificates governing the Warrants, the Warrant Shares will be validly issued as fully paid and non-assessable common shares in the capital of the Corporation.

This opinion is provided solely for the benefit of the addressee of this opinion in connection with the transaction described herein. This opinion may not be relied upon or disclosed to anyone else or used for any other purpose without our prior written consent.

Yours very truly,

Blake, Cassels & Graydon LLP
