

FORM 7

MONTHLY PROGRESS REPORT

Name of CNSX Issuer: CARTIER IRON CORPORATION (the "Issuer").

Trading Symbol: CFE

Number of Outstanding Listed Securities: 90,146,971

Date: January 6, 2021

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by the CNSX Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the CNSX.ca website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the CNSX Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The Issuer is a Canadian early-stage iron ore and gold explorer and developer with properties in the province of Quebec in the heart of the Labrador Trough (Gagnon Holdings), and in Newfoundland and Labrador (Big Easy Property). During the month the Issuer maintained its optioned Gagnon Holdings in the Fermont iron district in north-eastern Quebec and

at its prospective gold project – the Big Easy Property in Newfoundland and Labrador. The Issuer continued with its ongoing exploration at the Big Easy Property and completed a financing of 2.5 million Flow-Through shares at \$0.14 per Flow-Through shares for proceeds of \$350,000.

2. Provide a general overview and discussion of the activities of management.

In December, the Issuer's management assisted with the developments outlined in Section 1.

17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

The Issuer remains subject to general market trends that can impact the junior resource sector. The Issuer has no history of earnings and there are currently no known commercial quantities of mineral reserves on the Issuer's properties. The Issuer's properties are in the exploration stage and there is no guarantee of the Issuer's title to its properties. The Issuer competes with other companies. The Issuer's exploration activities may require permits or licenses which may not be granted by the applicable issuing government body. In recent years the price of iron ore and the publicly traded marketplace in general have fluctuated widely and this may affect the Issuer's ability to obtain financing.

Certificate Of Compliance

The undersigned hereby certifies that:

1. The undersigned is a director and/or senior officer of the Issuer and has been duly authorized by a resolution of the board of directors of the Issuer to sign this Certificate of Compliance.
2. As of the date hereof there were is no material information concerning the Issuer which has not been publicly disclosed.
3. The undersigned hereby certifies to CNSX that the Issuer is in compliance with the requirements of applicable securities legislation (as such term is defined in National Instrument 14-101) and all CNSX Requirements (as defined in CNSX Policy 1).
4. All of the information in this Form 7 Monthly Progress Report is true.
