MONTHLY PROGRESS REPORT

Name of Listed Issuer: Cross River Ventures Corp. (the "Issuer").

Trading Symbol: CRVC

Number of Outstanding Listed Securities: 34,091,957

Date: June 3, 2021

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

During the month of May, the Issuer was focused on commencement of field work on their Manitou Gold Project as well as planning for upcoming exploration and ongoing technical review of data on the other projects in Northwestern Ontario.

On May 13, 2021, the Issuer announced that it had commenced field work, including prospecting and focused mapping, has commenced at its 100% owned, 6,570-hectare, ManitouGold Project, located within the Archean Uchi Subprovince, NW Ontario, Canada.

Bayside Geoscience was contracted to conduct a 2-week reconnaissance program at the Manitou property. This Phase 1 field campaign focuses on assessing gold-bearing structures along strike and parallel to historic high-grade gold occurrences, within broad NE trending shear zones that transect the property. The field team will evaluate mineralization styles and potential strike extensions, collect samples and field data for analysis, and consider exploration techniques for follow-up property work (e.g. geochemistry, geophysics, drill testing).

2. Provide a general overview and discussion of the activities of management.

During the month of May, 2021, the Issuer was focused on commencement of field work on their Manitou Gold Project as well as planning for upcoming exploration and ongoing technical review of data on the other projects in Northwestern Ontario.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

None during the month of May, 2021

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

On May 13, 2021, the Issuer announced that it has elected not to proceed with its existing option to acquire the Tahsis Gold Project, located in northern Vancouver Island. The Company has provided notice of termination of the option to the existing owner of the Project and has arranged to reimburse the owner for certain expenditures requirements on the Project as required by the terms of the original option. The Company has not assumed any ongoing obligations associated with the Project. The decision to terminate the option was made to allow the Company to focus capital on its project portfolio in Northwestern Ontario.

5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether

the relationship is with a Related Person of the Issuer and provide details of the relationship.

None during the month of May, 2021

6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.

See answer to question 4

7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.

See answer to question 4

8. Describe the acquisition of new customers or loss of customers.

None during the month of May, 2021

9. Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks.

None during the month of May, 2021

14. Provide details of any indebtedness incurred or repaid by the Issuer together with the terms of such indebtedness.

None during the month of May, 2021

15. Provide details of any securities issued and options or warrants granted.

None during the month of May, 2021

16. Provide details of any loans to or by Related Persons.

None during the month of May, 2021

17. Provide details of any changes in directors, officers or committee members.

None during the month of May, 2021

18. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

The respiratory illness COVID-19 (also referred to as the "coronavirus") has resulted in a widespread health crisis that has already adversely affected the world economy and brought uncertainty to all financial markets. The international response to the spread of COVID-19 has led to significant restrictions on travel; temporary business closures; quarantines; global stock market and financial market volatility; a general reduction in consumer activity; operating, supply chain and project development delays and disruptions; and declining trade and market sentiment; all of which have and could further affect commodity prices, interest rates, credit ratings and credit risk. The Issuer will experience continuing and additional business interruptions, expenses and delays relating to COVID-19, which could have a material adverse impact on the Issuer's business, operating results, financial condition and the market for its securities. As at the date

of this Monthly Progress Report, the duration of the business disruptions and related financial impact of COVID-19 cannot be reasonably estimated.
