MONTHLY PROGRESS REPORT

Name of Listed Issuer: Deveron UAS Corp (the "Issuer").

Trading Symbol: DVR

Number of Outstanding Listed Securities: 17,240,506

Date: September 6, 2016

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

During the month of August 2016, the Company continued to develop the drone service business and its benefits for growers as it applies to agriculture in southern Ontario. During the month, the Company set up a field scale collaboration with Hensall District Cooperative ("HDC") and a leading agrochemical company to document the effects of variable rate fungicide

applications. Drone data are being used to test the efficacy and potential return on investment for using variable rate fungicide applications on edible beans that are impacted by white mold.

In collaboration with HDC, one of Ontario's largest farming cooperatives, Deveron is providing all drone data collection and analytics, including NDVI imagery. High severity cases of white mold can impact soybean yields by 40-50%, however identifying the presence of white mold and efficiently making decisions to spray crop with fungicide has remained a challenge in agriculture.

2. Provide a general overview and discussion of the activities of management.

During the month of August 2016, management focused on developing the drone service business as well as supervising routine flight coverage of acreage in southern Ontario and delivery of product as required by clients.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

None

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

None

5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.

None

6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.

None

7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets

acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.

In conjunction with its previously announced change of business, Deveron announced during the month that it has entered into an agreement with Parlane Resource Corp. which can earn a 100% interest in Deveron's 28 contiguous claims covering approximately 12,968 hectares located in the Omineca Mining Division in British Columbia, more commonly known as the Nechako Property. The property is situated on the Nechako Plateau, approximately 110 kilometres southwest of Vanderhoof and 160 kilometres west of Quesnel, adjacent to New Gold Inc.'s Blackwater and Capoose gold properties. The acquisition calls for an immediate cash payment of \$50,000 to Deveron and additional cash payments of \$50,000 on the first and second anniversaries of the agreement.

8. Describe the acquisition of new customers or loss of customers.

None

9. Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks.

None

10. Report on any employee hirings, terminations or lay-offs with details of anticipated length of lay-offs.

None

11. Report on any labour disputes and resolutions of those disputes if applicable.

None

12. Describe and provide details of legal proceedings to which the Issuer became a party, including the name of the court or agency, the date instituted, the principal parties to the proceedings, the nature of the claim, the amount claimed, if any, if the proceedings are being contested, and the present status of the proceedings.

None

13. Provide details of any indebtedness incurred or repaid by the Issuer together with the terms of such indebtedness.
