Forward-Looking Statements

Certain statements contained in the Listing Statement constitute forward-looking statements.

Forward-looking statements include statements that are predictive in nature, that depend upon or refer to future events or conditions, or that include words such as “expects”, “anticipates”, “intends”, “plans”, “believes”, “estimates”, “projects” and similar forward-looking expressions or negative versions thereof.

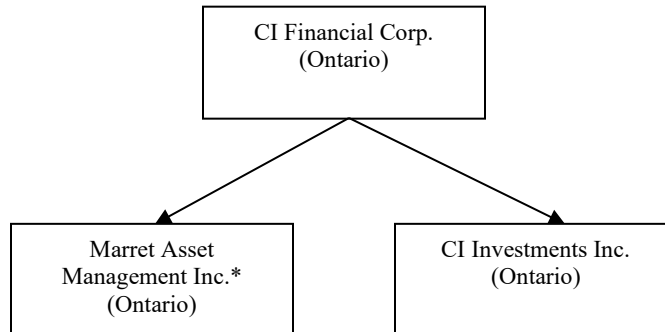

In addition, any statement that may be made concerning future performance, strategies or prospects and possible future action by the fund is also a forward-looking statement. Forward-looking statements are based on current expectations and projections about future general economic, political and relevant market factors, such as interest rates, foreign exchange rates, equity and capital markets, and the general business environment, in each case assuming no changes to applicable tax or other laws or government regulation. Expectations and projections about future events are inherently subject to, among other things, risks and uncertainties, some of which may be unforeseeable. We stress that the above-mentioned list of important factors is not exhaustive. Some of these risks, uncertainties and the other factors are described in this document under the heading “Risk Factors”.

We encourage you to consider these and other factors carefully before making any investment decisions. Forward-looking statements should not be unduly relied upon. Further, you should be aware of the fact that the fund has no specific intention of updating any forward-looking statements whether as a result of new information, future events or otherwise, prior to the release of this document, and that the forward-looking statements speak only to the date of this Listing Statement.

CORPORATE STRUCTURE

The following diagram illustrates the relationship between the Manager and its affiliated entities that provide services to the Fund:

*Marret Asset Management Inc. is 65% owned by CI Financial Corp.

The Fund is an unincorporated investment trust formed under the laws of the Province of Ontario, having its head office at 15 York Street, 2nd Floor, Toronto, Ontario M5J 0A3.

GENERAL DEVELOPMENT OF THE BUSINESS

Liquidation Efforts

The Manager continues its efforts to liquidate the Fund's holdings in Cline Mining Corporation ("Cline").

On October 27, 2020, Cline announced the completion of the sale to Allegiance Coal Limited (Allegiance) of all the shares of New Elk Coal Company, LLC (NECC). As a result of Allegiance's purchase of all the shares in NECC, Cline held US\$35,120,670.84 principal of a secured note issued by NECC ("NECC Note"). The NECC Note were to be repaid as follows:

- US\$3 million paid in cash on the release of the NECC reclamation bonds held by the Colorado Division of Reclamation, Mining and Safety from the current bonds of approximately US\$5.5M (Allegiance has secured up to US\$10 million of insurance mine reclamation bonding to replace the existing bonds); the cash release is expected within 90 days of closing;
- US\$6 million upon the commencement of commercial production by NECC or by December 1, 2021, whichever is earlier;
- The remainder of the NECC Note to be repaid by Cline receiving 60% of NECC's retained earnings after NECC makes prudent provision for any preferred debt payments and obligations, and sustaining and working capital, until the NECC Note is paid in full, but in any event within 10 years of closing. The NECC Note will not bear interest.

To date, NECC has repaid US\$9 million of the NECC Note. US\$3 million after the release of NECC's reclamation bonds held by the Colorado Division of Reclamation, Mining and Safety, and US\$6 million after reaching the December 1, 2021 outside date.

Allegiance Results and Recent Developments

NECC filed for Chapter 11 protection on February 21, 2023. In addition to NECC, its parent company Allegiance, and three other related entities also filed for insolvency protection. Allegiance's mines transitioned to care and maintenance during the bankruptcy process. The assets of the company were liquidated through private sales and an auction. Allegiance has been unable to realize material proceeds from NECC's mine. Due to the decreased likelihood of any recovery from the bankruptcy process, virtually all of Cline's stakeholders intend to wind up the corporation. As a result, on December 22, 2023, the Manager took a full write-down of the value of any Cline securities.

For further details see the *Name, Formation and History of the Fund* of the most recently filed Annual Information Form of the Fund.

AVAILABLE FUNDS AND PRINCIPAL PURPOSES

The Manager intends to use the available funds to liquidate the Private Portfolio and terminate the Fund pursuant to its Declaration of Trust which provides that, to the extent that the affairs of the Fund have not been completely wound up and all of the assets distributed to Unitholders on or prior to the Termination Date, the Declaration of Trust shall continue in force and effect to the extent necessary or desirable to permit the Trustee to complete the winding up of the affairs of the Fund and distribute the remaining assets to Unitholders as soon as practicable and, in such event, the Trustee shall carry on no activities on behalf of the Fund except for the purpose of winding up the affairs of the Fund.
