Belgravia commenced a lawsuit in the Ontario Superior Court of Justice against Tartisan Nickel Corp. and D. Mark Appleby (the “**Defendants**”), in which Belgravia claims \$650,000 in damages, plus punitive damages in the amount of \$100,000, and ancillary relief for negligent misrepresentation and breach of contract. The Statement of Claim was issued on June 12, 2018, and was formally served on June 24, 2018. The Defendants’ Statement of Defence and Counterclaim was filed on July 19, 2018 and alleges that Belgravia should not have relied on any statements made by Mr. Appleby as to whether to invest in Tartisan and further alleges defamation of Mr. Appleby’s character in the amount of \$1M. Pre-trial discoveries in the lawsuit had been postponed and delayed several times by the Defendants which required Belgravia to obtain a court order which required the Defendants to attend further discoveries and produce certain information (the “**Court Order**”). Pre-trial discoveries took place on April 24 and 26, 2019 with additional discoveries pursuant to the Court Order taking place on August 29, 2019. In order to advance the matter towards trial, Belgravia requested and obtained a Court-Appointed mediator to conduct the mandatory pre-trial mediation and are awaiting for a date to be set.

On June 20, 2019 Belgravia filed an Application for a Bankruptcy Order against Zonetail Inc. in the Ontario Superior Court of Justice (in Bankruptcy and Insolvency) on the basis that Zonetail has ceased to have met its liabilities as they become due including Belgravia's unsecured promissory note which represents almost 50% of Zonetail's liabilities. Belgravia is concerned that, given Zonetail's historical burn rate, its historical inability to generate revenues of any significant amount and the fact that since at least December of 2017 its auditors have qualified Zonetail's financial statements with a "going concern" note, its investment in Zonetail is at imminent risk. Belgravia will seek to have BDO Canada Limited appointed as Trustee if the court grants its application. Zonetail has announced that it is attempting to raise private placement funds of \$1,000,000. Zonetail has been informed that Belgravia is willing to put its Bankruptcy Application into abeyance if Zonetail agrees to transfer an amount equal to the entire amount of its indebtedness to Belgravia from the private placement proceeds to its solicitors in trust ensuring that Belgravia will be paid in full on the closing of the private placement. Belgravia is awaiting a response from Zonetail. Zonetail has never responded to Belgravia so Belgravia has instructed its counsel to demand payment of the promissory note on November 1, 2019. As Zonetail only raised \$350,000 of its \$1,000,000 private placement it has insufficient funds to pay its debt to Belgravia. Rather than negotiating, Zonetail commenced an action against

Belgravia alleging damages in excess of \$6 million. Belgravia regards these Zonetail claims as completely specious and designed only to postpone payment of its debt and divert attention from the fact that Zonetail is insolvent. Belgravia will of course respond but is disappointed that Zonetail would rather deplete what is left of its monies on legal fees rather than working with Belgravia to restore some degree of shareholder value. On December 18, 2019 Belgravia filed a Notice of Intent to Defend in the Ontario Superior Court of Justice (Commercial List). On September 28, 2020, Belgravia filed a Statement of Defence and Counterclaim against Zonetail Inc. seeking over \$2.85M CAD in damages alleging defamation, breach of contract and tortious interference. Zonetail's 'promise to pay' its debt in the amount of \$325,000 in cash to Belgravia is, and remains, in default. Belgravia seeks full payment of this promissory note with accrued 18% interest. On January 8, 2021, Belgravia's counsel provided notice to Zonetail that it would note Zonetail in default and seek a Default Judgment if Zonetail did not file a defence within 20 days. On January 28, 2021, Belgravia received the Zonetail Reply to Defence and Counterclaim and are reviewing same. On February 10, 2021, Belgravia served Zonetail with a Reply to the Defence to Counterclaim. On March 12, 2021, Belgravia served a motion for summary judgment to be heard in the Ontario Superior Court of Justice (Commercial List), seeking payment from Zonetail Inc. (TSX-V:Zone) on its promissory note in the amount of \$325,000 plus accumulating interest of 18% annually. Belgravia's legal position is that Zonetail has no right of set-off against amounts owed. On May 13, 2021, a judicial mediation was held in respect of the ongoing litigation with Zonetail, without resolution. Belgravia has since retained Osler Hoskin Harcourt in order to expedite and move towards trial.

On September 20, 2021, Belgravia Hartford Capital Inc. and Belgravia Hartford Gold Assets Corp. filed a lawsuit against PolyNatura Corp., an affiliate of Cartesian Capital Group, in the United States District Court for the District of New Mexico, Case No. 21-cv-00918, to recover an outstanding settlement payment in the amount of USD \$12.2 million. In 2017, the parties entered into a settlement agreement pursuant to which Belgravia agreed to sell its interest in the Ochoa potash asset to Cartesian related investors for a total of USD \$15 million, comprised of two initial payments totaling USD \$2.8M and two royalty streams with a value of USD \$12.2 million. Through the lawsuit, Belgravia seeks a declaration from the court that the agreement governing the royalty streams is void and unenforceable because it grants Cartesian unfettered discretion to decide whether to perform. Belgravia further alleges that Cartesian has breached the settlement agreement by failing to deliver a valid and enforceable royalty agreement or, in the alternative, is liable for unjust enrichment and/or promissory estoppel for retaining Belgravia's interest in the Ochoa potash asset without providing compensation for such interest. Belgravia seeks damages in the amount of USD \$12.2 million, which is the remaining amount owed for the sale of its interest in the Ochoa potash asset. To the extent the court finds that the agreement governing the royalty streams is in fact enforceable, however, Belgravia has alleged that PolyNatura has breached that agreement by failing to comply with its obligations thereunder and seeks damages in an amount to be determined at trial. Belgravia expects that the

claims will be contested by PolyNatura, but to date, no answer or responsive pleading has been filed.

[COVID-19 \(Coronavirus\) Risk](#)

[On March 11, 2020 the World Health Organization \(WHO\) declared COVID-19 \(Coronavirus\) outbreak a "pandemic", namely, the worldwide spread of a new disease. The Government of Ontario announced on March 17, 2020 that it made an order declaring a state of emergency in response to coronavirus \(COVID-19\) \(the "Government Order"\). All provinces in Canada have declared a state of emergency and/or state of public health emergency.](#)

[The outbreak and government restrictions raise corporate governance concerns and come with inherent commercial and operational risks due to potential disruptions to investee companies' supply chains, instances of high absenteeism, and/or travel risks. Governmental restrictions on travel, movement, and large gatherings have resulted in significant business interruptions and widespread event and travel cancellations, with a particularly salient impact on the stock markets and the Company's carrying values in investee companies in the mining resource and other sectors. A global travel advisory to avoid non-essential travel outside of Canada and the Government Order under the Quarantine Act remain in effect.](#)

[The Government of Canada advises that the pattern of disease is different in pandemics, which may have more than one wave of illness within the total duration of a pandemic. Accordingly, there is no assurance that the ripple effect of COVID-19 will not continue to affect Belgravia for a considerable period of time in the future. COVID-19 is a serious health risk, and the situation is evolving daily.](#)
