Belgravia commenced a lawsuit in the Ontario Superior Court of Justice against Tartisan Nickel Corp. and D. Mark Appleby (the “**Defendants**”), in which Belgravia claims \$650,000 in damages, plus punitive damages in the amount of \$100,000, and ancillary relief for negligent misrepresentation and breach of contract. The Statement of Claim was issued on June 12, 2018, and was formally served on June 24, 2018. The Defendants’ Statement of Defence and Counterclaim was filed on July 19, 2018 and alleges that Belgravia should not have relied on any statements made by Mr. Appleby as to whether to invest in Tartisan and further alleges defamation of Mr. Appleby’s character in the amount of \$1M. Pre-trial discoveries in the lawsuit had been postponed and delayed several times by the Defendants which required Belgravia to obtain a court order which required the Defendants to attend further discoveries and produce certain information (the “**Court Order**”). Pre-trial discoveries took place on April 24 and 26, 2019 with additional discoveries pursuant to the Court Order taking place on August 29, 2019. In order to advance the matter towards trial, Belgravia requested and obtained a Court-Appointed mediator to conduct the mandatory pre-trial mediation and are awaiting for a date to be set.

On June 20, 2019 Belgravia filed an Application for a Bankruptcy Order against Zonetail Inc. in the Ontario Superior Court of Justice (in Bankruptcy and Insolvency) on the basis that Zonetail has ceased to have met its liabilities as they become due including the promissory note in the amount of \$325,000 owed to Belgravia. Belgravia instructed its counsel to demand payment of the promissory note on November 1, 2019. Zonetail commenced an action against Belgravia alleging damages in excess of \$6 million. On December 18, 2019 Belgravia filed a Notice of Intent to Defend in the Ontario Superior Court of Justice (Commercial List). On September 28, 2020, Belgravia filed a Statement of Defence and Counterclaim against Zonetail Inc. seeking over \$2.85M CAD in damages alleging defamation, breach of contract and tortious interference. Belgravia seeks full payment of this promissory note with accrued 18% interest. On January 8, 2021, Belgravia’s counsel provided notice to Zonetail that it would note Zonetail in default and seek a Default Judgment if Zonetail did not file a defence within 20 days. On January 28, 2021, Belgravia received the Zonetail Reply to Defence and Counterclaim and are reviewing same. On February 10, 2021, Belgravia served

Zonetail with a Reply to the Defence to Counterclaim. On March 12, 2021, Belgravia served a motion for summary judgment to be heard in the Ontario Superior Court of Justice (Commercial List), seeking payment from Zonetail Inc. (TSX-V:Zone) on its promissory note in the amount of \$325,000 plus accumulating interest of 18% annually. Belgravia's legal position is that Zonetail has no right of set-off against amounts owed. On May 13, 2021, a judicial mediation was held in respect of the ongoing litigation with Zonetail, without resolution. Belgravia has since retained Osler Hoskin Harcourt in order to expedite and move towards trial. Case conference held October 12, 2021 in the Ontario Superior Court. Belgravia Hartford engaged in pre-trial discoveries in March 2022. Trial Date has been scheduled to commence on June 17, 2024 in the Ontario Superior Court of Justice (Commercial List).

On September 20, 2021, Belgravia Hartford Capital Inc. and Belgravia Hartford Gold Assets Corp. filed a lawsuit against PolyNatura Corp., an affiliate of Cartesian Capital Group, in the United States District Court for the District of New Mexico. After several months of discovery, Belgravia Hartford Gold Assets Corp. sought leave to file an Amended Complaint under seal on December 22, 2022, removing Belgravia Hartford Capital Inc. from direct participation in the case. The Amended Complaint alleges that the parties entered into a settlement agreement in 2017 pursuant to which Belgravia agreed to sell its interest in the Ochoa potash asset to Cartesian related investors for a total of USD \$15 million, comprised of two initial payments totaling USD \$2.8M and two royalty streams with a value of USD \$12.2 million. These royalty streams were memorialized in a Royalty Agreement. No royalties have been paid by PolyNatura to date, and Belgravia asserts that if PolyNatura had fulfilled its obligation to use commercially reasonable efforts to generate royalties, millions of dollars in royalties would have been paid. Belgravia also alleges that PolyNatura breached an obligation in the Royalty Agreement to share information about PolyNatura's business upon request. Belgravia seeks damages in the form of lost royalty income, additional losses Belgravia has suffered as a result of those lost royalties, and attorneys' fees.

#### COVID-19 (Coronavirus) Risk

On March 11, 2020 the World Health Organization declared COVID-19 (Coronavirus) outbreak a "pandemic", namely, the worldwide spread of a new disease. The Government of Ontario announced on March 17, 2020 that it made an order declaring a state of emergency in response to coronavirus (COVID-19) (the "Government Order"). All provinces in Canada declared a state of emergency and/or state of public health emergency in response to the uncertainties surrounding the spread of COVID-19.

The outbreak and ensuing government restrictions raise corporate governance concerns and come with inherent commercial and operational risks due to potential disruptions to investee companies' supply chains, instances of high absenteeism, and/or travel risks. Governmental restrictions on travel, movement, and large gatherings have resulted in significant business interruptions and widespread event and travel cancellations, with a particularly salient impact on the stock markets and the Company's carrying values in investee companies in the mining resource and other sectors.

The Government of Canada advises that the pattern of disease is different in pandemics, which may have more than one wave of illness within the total duration of a pandemic. Accordingly, there is no assurance that the ripple effect of COVID-19 will not continue to affect Belgravia for a considerable period of time in the future.
